And, whereas, said resolution was duly published and posted as required by section 116 of the charter of said city.

And, whereas, a meeting of the council was held at the time and place fixed by said resolution, for the purpose of considering any such protests, but no protests were at said time, or at any other time, made to or received by the council to the said laying of said water main or the assessment of the cost thereof as aforesaid, and said council having considered the matter and deciding that said water main was and is of material benefit to said city, and that all property to be assessed therefor would be benefited thereby to the extent of the probable amount of the respective assessments to be levied against said property, did order said main laid.
