CITY NOTICES.

ORDINANCE NO. 635.

An ordinance declaring the assessment on the property benefited for the cost of laying a 4-inch water main on Plum street from Eleventh street to Dakota avenue, and directing the recorder to enter a statement thereof in the water main lien docket.

The City of Medford doth ordain as follows:

Section 1. Whereas, the City Council did heretofore, by resolution, declare its intention to lay a 4-inch water main on Plum street from Eleventh street to Dakota avenue, and to assess the cost thereof on the property fronting on said portion of said street in proportion to the frontage of said property, and fix a time and place for hearing protests against the laying of said water main on said part of said street and the assessment of the cost thereof as aforesaid.

And whereas, said resolution was duly published and posted as required by section 116 of the charter of said city;

And whereas, a meeting of the council was held at the time and place fixed by said resolution, for the purpose of considering any such protests, but no such protests were at said time made to or received by the council to the laying of said water main or the assessment of the cost thereof as aforesaid, and said council having considered the matter and deeming that said water main was and is of material benefit to said city, and that all property to be assessed therefor would be benefited thereby to the extent of the probable amount of the respective assessments to be levied against said property did order said said main laid.

And whereas, the cost of said water main has been and hereby is determined to be the sum of $1,977.28.

Now, therefore, it is hereby further determined that the proportionate share of the cost of laying said water main of each parcel of property fronting on said portion of said street is the amount set opposite the description of each parcel of land below, and that each piece or parcel of land is benefited by the laying of said water main to the full extent of the amount so set opposite the description of each parcel of land below, and that each piece or parcel of land benefited by the laying of said water main to the full extent to the amount so set opposite the description of the same, and that the respective amounts represent the proportional benefits of said water main to said respective parcels of land, and also the proportional frontage thereof on said street, the council does hereby declare each of the parcels of property described below to be assessed and each of the same hereby is assessed the amount set opposite each description for the cost of laying said water main. The name appearing above each description being the name of the owner, or reputed owner, of each such lot or parcel.

ORDINANCE NO. 644.

An ordinance declaring the assessment on the property benefited for the cost of laying a four-inch water main on Minnesota avenue from Geneva avenue to Roosevelt avenue, and directing the recorder to enter a statement thereof in the water main lien docket.

The City of Medford doth ordain as follows:

Section 1. Whereas, the city council did heretofore by resolution declare its intention to lay a four-inch water main on Minnesota avenue from Geneva avenue to Roosevelt avenue, and to assess the cost thereof on the property fronting on said portion of said street in proportion to the frontage of said property, and fix a time and place for hearing protests against the laying of said water main on said part of said street and the assessment of the cost thereof as aforesaid.

And, whereas, said resolution was duly published and posted as required by section 116 of the charter of said city.

And, whereas, a meeting of the council was held at the time and place fixed by said resolution, for the purpose of considering any such protests, but no protests were at said time, or at any other time made to or received by the council to the said laying of said water main or the assessment of the cost thereof as aforesaid, and said council having considered the matter and deeming that said water main was and is of material benefit to said city, and that all property to be assessed therefor would be benefited thereby to the extent of the probable amount of the respective assessments to be levied against said property, did order said main laid.

And, whereas, the cost of said water main has been and hereby is determined to be the sum of $861.20.

Now therefore, it is hereby further determined that the proportionate share of the cost of laying said water main of each parcel of property fronting on said portion of said street is the amount set opposite the description of each parcel of land below, and that each piece or parcel of land is benefited by the laying of said water main to the full extent to the amount so set opposite the description of the same, and that the respective amounts represent the proportional benefits of said water main to said respective parcels of land, and also the proportional frontage thereof on said street, the council does hereby declare each of the parcels of property described below to be assessed and each of the same hereby is assessed the amount set opposite each description for the cost of laying said water main. The name appearing above each description being the name of the owner, or reputed owner, of each such lot or parcel.

NOTICE

To the owner, or reputed owner, of each parcel of property described in the foregoing ordinance, as named therein, and in the lien declared by said ordinance, as recorded in the docket of city liens:

You are hereby notified that the assessment declared by the foregoing ordinance has been made and the lien therefor entered in the city lien docket, and that the same is due and you are hereby required to pay the same to the city recorder within ten days from the service of this notice, which service is made by publication of the foregoing ordinance and this notice three times in the Medford Mail Tribune, pursuant to an order of the city council of said city.

ROBT. W. TELFER, City Recorder.

ORDINANCE NO. 645.

An ordinance declaring the assessment on the property benefited for the cost of laying a 4-inch water main on Ashland avenue from East Main street to East Eleventh street and directing the recorder to enter a statement thereof in the water main lien docket.

The City of Medford doth ordain as follows:

Section 1. Whereas, the city council did heretofore by resolution declare its intention to lay a 4-inch water main on Ashland avenue from East Main street to East Eleventh street and to assess the cost thereof on the property fronting on said portion of said street in proportion to the frontage of said property, and fix a time and place for hearing protests against the laying of said water main on said part of said street and the assessment of the cost thereof as aforesaid.

And, whereas, said resolution was duly published and posted as required by section 116 of the charter of said city.

And, whereas, a meeting of the council was held at the time and place fixed by said resolution, for the purpose of considering any such protests, but no protests were at said time, or at any other time made to or received by the council to the said laying of said water main or the assessment of the cost thereof as aforesaid, and said council having considered the matter and deeming that said water main was and is of material benefit to said city, and that all property to be assessed therefor would be benefited thereby to the extent of the probable amount of the respective assessments to be levied against said property did order said main laid.

And, whereas, the cost of said water main has been and hereby is determined to be the sum of $2852.73.

Now therefore, it is hereby further determined that the proportionate share of the cost of laying said water main of each parcel of property fronting on said portion of said street is the amount set opposite the description of each parcel of land below, and that each piece or parcel of land is benefited by the laying of said water main to the full extent to the amount so set opposite the description of the same, and that the respective amounts represent the proportional benefits of said water main to said respective parcels of land, and also the proportional frontage thereof on said street, the council does hereby declare each of the parcels of property described below to be assessed and each of the same hereby is assessed the amount set opposite each description for the cost of laying said water main. The name appearing above each description being the name of the owner, or reputed owner, of each such lot or parcel.
