MORE CHITTEM BARK WANTED

ATTENTION BARK PEELERS: I am still paying more money for bark than any other dealer, providing you put up your bark to meet the requirements of the Federal Food and Drug Laws—WARNING: "Anyone selling or attempting to sell Bark that has dirt, stones, foreign Bark or any other adulterations will be prosecuted to the fullest extent of the law." These laws are made for the dead beats—The honest man needs no laws. Just because of a few dead beats who sell bark with dirt and stones spoil whole shipments that probably goes to Europe, making difficulty for everyone concerned. So please be careful and do your part and I surely will do mine.
NOTE: Any bark not well broken or in poor sacks not well sewed will be 1 cent less, also bark not thoroughly dry or molded will be rejected.
