Kiwanis Inducts Two Members Here

J. F. Roadman, real estate dealer, and John Grant, dairyman and poultry processor, were inducted into the Eugene Kiwanis club Monday as new members, by Perry Walbridge.

Speaker at the luncheon was Harry Seymour, Portland Kiwanian and state 4-H club leader, whom Dean J. R. Jewell introduced as the "most important educator in the state." He outlined a working plan for the auction of fat animals raised by 4-H club members of the county, which the Kiwanis club has agreed to sponsor in the fall. The plan has been working for several years in Klamath county, and the method followed there was explained. An important responsibility of the service club will be contact of buyers for the animals.

High prices are not the aim of these sales, the youth worker said, but rather emphasis is placed on having buyers return, year after year.

The support given 4-H club work by businessmen of the state was credited by the speaker as a leading factor in the high enrollment, which this year is at its peak.

Guests introduced at the meeting, at which Dean Jewell presided, were Virgil Esteb, local insurance salesman, and D. B. McGlenn of Auburn, Wash.

Pin-Up Betty

20th Century-Fox's wondrous ways with musicals manifests itself again in the theater, where "Pin-Up Girl," that studio's newest Technicolor trump, starring Betty Grable, is expected to win the enthusiastic acclaim of the audience.

Dedicated to laughs, love and the pursuit of happiness, this song-and-dance, laugh-and-romance extravaganza frames Betty Grable like her picture pinned up on the walls of her fans the world over—and as such, hits a high in screen entertainment.

The studio that brought the memorable hits, "Coney Island" and "Sweet Rosie O'Grady" to the screen let out all the stops in making "Pin-Up Girl" eye-filling from beginning to exciting finale. They added a cast of outstanding screen talent, including John Harvey, Martha Raye, Joe E. Brown, Eugene Pallette, and Charlie Spivak and his orchestra.

Music Important

Since it's music that counts in a musical, "Pin-Up Girl" is studded with no less than eight new hit songs by Mack Gordon and James Monaco. And judging from how they sound as sung by Betty Grable and Martha Raye, and played by Spivak and his boys, they're songs you'll undoubtedly be hearing at the top of the nation's hit parade.

"Pin-Up Girl" has some exciting dance spectacles.

USO Still Serves Many Service Men

Eugene's USO club is still a popular meeting place for service men and women visiting Eugene, Mrs. Omar Fendall, director, emphasized Tuesday in appealing to Eugene residents not to forget the local servicemen's club.

Last week-end more than 278 soldiers, sailors, and marines were served at the snack bar, Mrs. Fendall revealed.

"Many Eugene people have the mistaken idea that the work at the USO is dwindling, but such is not the case," she said. "The number of men we served Saturday and Sunday is an average week-end crowd and those numbers do not include the many who did not take refreshments but used the other facilities in the club rooms."

The award of 100-hour pins for volunteer service to the Eugene club was made recently to Mrs. C. A. Horton and Mrs. L. B. Sigwart, senior hostesses.

The cookie jar, popular with visiting servicemen, has been kept filled throughout June by the ladies of the Presbyterian church. The canteen for the month has been directed in turn by the Mothers' Service club of the First Christian church, River Road Women's club, Catholic Military Mothers' club, Ladies of the Elks, and Illahee division of the B. of L. E.

Allies Push 10 Miles Beyond Piombino

ROME, June 27.—(AP)—Eighth army troops have again driven the enemy from the bitterly-contested ruins of Chiusi, while the fifth army, advancing along Italy's west coast, has reached a point 10 miles beyond Piombino in a stab toward Livorno and Pisa, allied headquarters announced today.

The eighth army, after retaking Chiusi, nine miles southwest of Lake Trasimeno, the area where the Germans have been putting up their most vigorous delaying action, slugged on several miles to the northwest.

Seven miles to the northeast the eighth army drove into the outskirts of Castiglione del Lago, on the west shore of Lake Trasimeno, occupying the village of Vitellino, taking 200 prisoners and inflicting heavy casualties. Limited advances have been made in the vicinity of Perugia, east of the lake.

Fierce fighting is in progress astride Highway 71, which leads to Siena, about 30 airline miles south of Florence, the communique said. Last reports had American and French troops battling up that road less than 15 miles from Siena.

The Mediterranean army force announced that at least 55 enemy planes were destroyed in giant air battles over the Vienna area, when the enemy sent the largest fighter force encountered in recent weeks into the skies against up to 750 American Fortresses, Liberators and their escort. The allies lost a total of 44 planes, including 36 heavy bombers.

Last night RAF Halifaxes, Liberators and Wellingtons poured two-ton block busters on the Aquila oil refinery at Trieste, causing fires and explosions which left much of the plant in ruins.
