# CHINESE CABINET ORDERS DELEGATES TO QUIT CONFERENCE

(Continued from page one.)

of the German zollereign from January first, last, renounces all right of exploitation of the railroads, adheres to the abrogation of its neutrality and accepts in advance any international agreement as to it, reached by the allied and associated powers.

**Boundaries of Germany**

"Boundaries of Germany: Germany cedes to France, Alsace-Lorraine, five thousand six hundred square miles, and to Belgium two small districts between Luxemberg and Holland, totalling nine hundred and eighty-nine square miles. She also cedes to Poland the southeastern tip of Silesia beyond and including Oppeln, most of Posen and West Prussia, twenty-seven thousand, six hundred and eighty-six square miles, East Prussia being isolated from the main body by a part of Poland. She loses sovereignty over the northeastern most tip of East Prussia, forty square miles north of the River Memel, and the internationalized areas about Danzig, seven hundred and twenty-nine square miles, and the basin of the Saar, seven hundred and thirty-eigh square miles, between the western border of the Rhenish Palatinate of Bavaria and the southeast corner of Luxemburg. The Danzig area consists of the V between the Nogat and Vistula rivers made a W by the addition of a similar V on the west including the city of Danzig. The southeastern third of East Prussia and the area between East Prussia and the Vistula north of latitude 53 degrees, 3 minutes is to have its nationality determined by popular vote; five thousand seven hundred and eighty-five square miles, as is to be the case in part of Sleswig, two thousand seven hundred and eighty-seven square miles.

**Czecho-Slovakia**

"German-Austria: Germany recognizes the total independence of German-Austria in the boundaries traced.

Czecho-Slovakia: Germany recognizes the entire independence of the Czecho-Slovak state, including the autonomous territory of the Ruthenians south of the Carpathians and accepts the frontiers of this state as to be determined, which in the case of the German frontier shall follow the frontier of Bohemia in 1914.

**Poland**

Poland: Germany cedes to Poland the greater part of Upper Silesia, Posen and the province of West Prussia on the left bank of the Vistula. A field boundary commission of 75 representing the allied and associated powers and one each representing Poland and Germany—shall be constituted within 15 days of the peace to delimit this boundary.

East Prussia: The southern and the eastern frontier of East Prussia is to be fixed by plebescites, the first in the regency of Allenstein between the southern frontier of East Prussia and the northern frontier of Regierrungsbeseik. In each case German troops and authorities will move out within 15 days of the peace and the territories be placed under an international commission of five members appointed by the five allied and associated powers, with the particular duty of arranging for a free, fair and secret vote. The commission will report the result of the plebescites to the five powers with a recommendation for the boundary and will terminate its work as soon as the boundary has been laid down and the new authorities set up.

# CHEERFUL WORDS

**For Many a Medford Household**

To have the pains and aches of a bad back removed—to be entirely free from annoying, dangerous urinary disorders, is enough to make any kidney sufferer grateful. The following advice of one who has suffered will prove helpful to hundreds of Medford readers.

Mrs. Ida Kenworthy, 508 S. Grape St., Medford, says: "I have taken Doan's Kidney Pills when I have noticed my kidneys haven't been acting as they should and they have never failed to do me good. I also give Doan's Kidney Pills to one of my grandchildren who is often bothered with weak kidneys and they are very beneficial."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Kenworthy had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y. Adv.
