Elsie Ferguson At Liberty Today

ELSIE FERGUSON
In His Parisian Wife
An ARTCRAFT Picture

Elsie Ferguson, the beautiful Artcraft star, has a superb photoplay in "His Parisian Wife," her latest starring vehicle written by Eve Unsell and directed by Emile Chautard, which will be shown at the Liberty theatre tonight. Miss Ferguson plays the part of a girl reporter of Paris and the role is said to afford her ample opportunities for the display of her rich dramatic talents.
As Fauvette, Miss Ferguson weds a Boston lawyer whose parents refuse to recognize her as their daughter-in-law, and their hostility towards her, based upon a complete misunderstanding of her nature, leads to a separation from her husband. The eternal triangle enters into the story later with happy results, for the bride and her husband are reconciled after the former has won her spurs as a novelist of rare powers.

A Mistake Made by Many

Don't wait for rheumatism to indicate diseased kidneys. When you suffer pains and aches by day and sleep disturbing bladder weakness by night, feel tired, nervous and run down, the kidneys and bladder should be restored to healthy, strong and regular action. It is a mistake to postpone treatment. Foley Kidney Pills put the kidneys in sound, healthy condition and keep them active and strong. Begin taking today. Good results follow the first dose.
