Triangle Lake Resort, situated half way from Eugene in the Willamette Valley and Florence, Ore., on Pacific coast, on highway 36. Triangle Lake is a deep lake with excellent trout, bass, perch, blue gills and cut-throats, opened for fishing all year, except trout. Excellent hunting. Less than 40 mi. for salmon steel heads, and other sea fishing.

This resort has been established since 1924 and has had a profitable business, both local and transient. Owner bought a year ago and has remodeled but must sell due to illness. Today we are doing a large restaurant business. This business could be trebled easily. The Oregon Motor Stages make five daily run period stop between Florence and Eugene.

We have started to remodel the cabins and build a hotel, due to the shortage of building materials, we are temporarily handicapped. Great opportunities for expansion, such as boat docks, docks for tree, swimming and locker concessions, picnic grounds and a number of choice building lots situated on hill overlooking resort and lake.
