Local and Personal

Altho the temperature has been colder several times during the past week or so than today's minimum of 31 degrees the weather seemed much colder this morning and forenoon, probably because a wet, penetrating fog hung over a large part of the day, making heavy wraps and overcoats welcome outside and fires inside. Fair weather is the prediction for Friday.

$5 POWDERS

The kind I use—at very moderate prices

By Edna Wallace Hopper.

The powders we use in Movieland cost us $5 per box. Beauty is our stock in trade, and we care not what it costs.

I have offered to other women my helps to youth and beauty. The very creations which France supplied me, which made me a famous beauty, and which have kept my youthful beauty to a grand old age.

But I did not think of powders. I never dreamed that the powders I use could be sold at modest prices.

Women by the thousands asked about my powders. So I showed the makers that millions of boxes could be sold to users of my beauty helps. And they offered me those identical powders, made under my name, to be sold at 50c and $1.

Few Ever Used Them.

Up to now, few women have ever used a powder so exquisite. Few could afford the price. Now I bring them to you—the finest powders experts can create. They are as fine as vapor, as harmless as dew. And all are fragrant with my favorite perfume. Now the powders used by stage and movie beauties can be used by all who wish.

There are two kinds, light and heavy. I use a cold cream powder with a base like my Youth Cream. It clings and stays. But some like a powder light and fluffy, without the cold cream base. So I had both kinds prepared.

Edna Wallace Hopper's Youth Cream Powder,—the heavy, clinging powder—sells for $1. Edna Wallace Hopper's Face Powder—the light and fluffy powder—sells for 50 cents. Both come in three shades—white, flesh and brunette.

All druggists and toilet counters now supply my helps to youth and beauty, and my powders, too. These the the French creations which made me what I am. My Youth Cream—Based on fruits. My Facial Youth—my famous liquid cleanser. My Hair Youth, which brought my luxuriant hair. My White Youth Clay—the last word in facial clay. My Beauty Book comes with each.

I offer them in the hope to bring millions the benefits I got. Powders are incidental. But now you can get them also, and I am very glad for your sake. Edna Wallace Hopper. Business address, Waukesha, Wis.

Note—Miss Hopper is now appearing twice daily in the Pantages theatres of the Pacific coast and western states. Adv.
