EAKIN MOTORS SALE CONTINUES

The success of Eakin Motor company's sale of Dodge Brothers four-cylinder cars at specially reduced prices has been very gratifying to Clyde Eakin, local dealer for Dodge Brothers automobiles. Since last Saturday six people have taken advantage of this sale and have purchased cars at great savings.

The sale will continue, according to Mr. Eakin, for a few more days and by the interest shown the past week, the few remaining cars will not last long.

STRAIGHT AND TO THE POINT

ARE YOU GAME—If so, we are going to give you a chance to show your judgment by bidding on a pear orchard which is very fortunately situated with reference to frost and water—above one and below the other, and within reasonable distance of both highway and railroad, all Bartletts old enough to produce a full crop at once; and, while somewhat neglected, fairly good trees, owing to the fact that the man who set orchard knew his business. Start the bidding. See HOLMES FOR HOMES.!

PERUSE WITH ATTENTION AND CARE—One of the best combined dairy and orchard farms in Southern Oregon, out of the frost belt, all in fruit and alfalfa, district water rights for all; in best pear district, and at a price which will enable proper care and attention to make the land pay for itself in a few years. No better land anywhere and within one-half mile of highway. Personal inspection only can give an idea of its desirability. See HOLMES FOR HOMES!

NOW AS ALWAYS—The pear orchards of this valley are the best investments and those who show their good judgment by purchasing now can give the merry hawhaw to those of less sagacity in the future. We can show you some mighty good ones, and at far less price than the cost of production. It is on the cards that the pear crop of this valley in 1928 will sell for greater prices than ever before known. See HOLMES FOR HOMES. Nash Hotel corner.

Orchard Crop Insurance

You may now insure your orchard crop of pears, apples, or prunes, against loss or damage by FROST OR FREEZE, EXCESSIVE HEAT, SUBNORMAL AND (OR) ABNORMAL RAINFALL, FOG OR MIST, HAIL, WIND, WORMS, SCALE, BLIGHT, OR ANY PESTS OR DISEASE.

Stabilize your orchard production by insuring your crop. Insure an annual income and improve your banking credit. More than one million dollars of this insurance was taken by the fruit growers in the Wenatchee district last year to their entire benefit and satisfaction. This may possibly be the only form of HAIL INSURANCE which you can obtain in this valley this year.

There is only one insurance company in the world prepared to write this form of insurance in this valley this year and I represent that company. Policies issued by a standard well known insurance company with more than sixteen million dollars available assets. Ask your banker about this form of insurance.

	Insurance
Rate for non-smudged, irrigated orchards	$35.00 per $1000
Rate for smudged, irrigated orchards	$26.25 per $1000
Rate for smudged, non-irrigated orchards	$52.50 per $1000

This insurance can only be obtained through this office. Additional information gladly furnished upon request. Insure your estimated crop now before the frost season.
