BUILDING NEWS

HERBERT HOOVER on the American Home

As pictured in his speech accepting the Presidential Nomination:

"Home ownership has grown. While during this period the number of families has increased by about 2,500,000, we have built more than 3,500,000 new and better homes.

"I especially rejoice in the effect of our increased efficiency upon the improvement of the American home. That is the sanctuary of our loftiest ideals, the source of the spiritual energy of our people."

Increased Efficiency Upon the Improvement of the American Home

means remodeling and repairing and to be sure of this INCREASED EFFICIENCY you must have, FIRST, expert advice as to costs and results; SECOND, efficient men to do your work, and, THIRD, good materials. Phone 124 and let us assist you increase efficiency in the improvement of YOUR HOME.
