FLORENCE, Italy (AP) — Veteran American tourists this summer were surprised to see drivers of the city's one-horse hacks in straw hats and light coats. The permission of the city was necessary before they could discard their traditional garb of varnished, second-hand silk hats and cutaway coats.

PARIS(AP)—Film Interests aver that a new regulation by the Society of Authors, requiring members to demand in contracts for scenarios a percentage of gate receipts in France, Switzerland and Belgium, is likely to shut French writers out of the market. German and American agents have refused to buy scenarios under these conditions.

KHARKOV, U. S. S. R.—(AP)—Under new governmental decrees here, all persons refusing to give up surplus wheat supplies to the government or hindering others from so doing, may be fined five times the value of the grain affected. Kulaks, or rich peasants, thus mulcted will also suffer loss of their property.

Richland. — Plans under consideration for erection of new Grange hall here.
