OLD FOLKS WANTED!
Young folks under 50 not considered. But if you're over 50 and have had a few thousand prospects tell you "no" in your day, you might be the man we're looking for. For the man who can "take it" when the going is rough and keep on making enthusiastic sales demonstrations daily, there's a $10,000-a-year opportunity in our offer. Former drummers preferred. This is not a door-to-door proposition. You call on dignified business men who usually need your product. The competition is keen but the reward is a whale of a big income. The product is patented and the quality superb. Frankly, we're mighty particular. So unless you have the mature judgment we are seeking, we wouldn't have anything to offer. If you do have, send us all particulars and let us outline our proposition in full to you. VICE-PRESIDENT, P. O. Box 711-Z, Fort Worth, Texas.
