OUR FRICTION type log turners for permanent and semi portable saw mills have been giving years of trouble free service in mills throughout Oregon and California. Controlled hook action and powerful push arms insure fast and accurate turning of the logs. Many owners report that these log turners have paid for themselves in less than 60 days by reducing labor costs and increasing lumber production. Easy to install, moderately priced. Terms if desired. Timberline Forge Works, 188 Blair Blvd., Eugene, Oregon.
