PROCLAMATION

I, O. W. Newland, Mayor of the City of Gold Hill, Oregon, now proclaim that the following amendments to the City Charter of Gold Hill were approved by the legal voters of the City of Gold Hill at the special election held on May 15, 1952, and that said amendments are to be in full force and effective as far as applicable on May 19, 1952:

Section 1, Chapter II. The power and authority given to the municipal corporation of the City of Gold Hill by this act is vested in a Mayor and a Council to be composed of six (6) members, and their successors in office, to be exercised in the manner hereinafter prescribed. The mayor shall be elected at the regular biennial election held in November, 1952, and on each biennial election thereafter to serve a term of two years beginning on January 1 following election or until his successor is duly elected and qualified. At the regular biennial election in November 1952 there shall be elected three (3) councilmen to serve a term of two years beginning January 1, 1953, and three (3) councilmen to serve a term of four (4) years beginning January 1, 1953; at the biennial election held in November 1954 and on each following biennial November election there shall be elected three (3) councilmen to serve a term of four (4) years beginning on January 1, following the election. Each councilman is to hold office until his successor is duly elected and qualified.

Section 2, Chapter II. There shall be elected biennially, on the same date and at the same time as the state biennial election is held, a recorder who shall also serve as city treasurer, who shall give bonds for faithful performance of his duties in such sum as may be required by the council and subject to council approval.

Section 1, Chapter III. All regular general elections of the City of Gold Hill shall be held on the first Tuesday after the first Monday in November of the years and at the same time as the state biennial elections are held.

Section 8, Chapter III. The judges and clerks of election shall be paid for their services and the amount of such compensation shall be determined by the council and set forth in the resolution of the council calling the election. If any judge or clerk shall be absent at the opening of the polls the vacancy shall be filled by the electors present.

Section 4, Chapter V. The recorder shall perform the function of city treasurer and be custodian of the moneys and funds of the city. He shall receive and receipt for all moneys and funds belonging to the city and shall safely keep the same, paying out the same on order of the mayor, or president of the council when acting as mayor; all such orders shall be countersigned by the recorder and attested with the city's seal of which the recorder is custodian.
