District Meeting First Event Of National B&PW Week

Opening National Business Women's Week, B&PW Clubs of the Southwest District met in conference in Eugene Sunday, at Veterans Memorial Hall. Mrs. Merle Chase, district chairman, presided at the business session. Ten clubs of the state were represented, and four of the district, in the attendance. Mrs. Carmalita Weddle of Salem, state president, and other state officers were present.

Miss Lucile Olson sang "The Lord's Prayer" (Malotte) to open the morning session at ten o'clock. She was presented by Mrs. May Huston, Eugene music chairman. Club presidents were introduced, including Miss Irene Quick of Coos Bay; Miss Arlene Robertson of Coquille; Mrs. Adelia Hatch of Cottage Grove and Miss Genevieve Hallin of Eugene. Each gave a report of projects carried on by her club, and on membership. Projects included scholarship awards, benefit parties for civic works and social affairs for improved fellowship; aid to Red Cross, Girl Scouts and other community groups.

Mrs. Cecelia Galey of Sweet Home, state legislative chairman, talked on the measures which will be presented in the coming election, giving arguments for and against. Mrs. Edna Stokes of Eugene, representing Lane County League of Women Voters, talked on "Reforestation in Oregon."

Luncheon was served in the diningroom at noon, Miss Hallin, Eugene president presiding. The program included a flag salute, reading of the club collect, led by Mrs. Harold B. Jensen, past state president, and group singing, led by Mrs. Huston. Guests were introduced, including the state president; Mrs. Natalie Burns of Toledo, state treasurer; Miss Betty Elofson of Salem, corresponding secretary; Mrs. Zepha Pierson of Grants Pass, state membership chairman; and Miss Mary Cramer of Coos Bay, state chairman of equal rights. Miss Mary Wiley, Eugene chairman of the conference also was introduced.

Mrs. Chase presented the state president, Mrs. Weddle, as the luncheon speaker, and she gave an account of the national convention held at Fort Worth, Texas. The next biennial convention is to be held in San Francisco in 1950, she announced, advising clubs to begin preparation to send large delegations. It seldom is held in the west. She also brought back to the individual clubs suggestions and instructions from the national organization for betterment of club procedure. She urged endorsement and support of women in public office, and said two of the planks of the national federation for the coming year are: That equality of rights not be abridged because of sex; and that the right to work for compensation not be abridged on account of sex, race, creed or marital status.

The nearing election supplied the theme for the conference, in Mrs. Galey's talk, and in favors. Registration badges and programs carried out the thought, and tables had toy figures of elephants and donkeys, as well as floral decorations.
