Dad Thrilled At Army Fete

TACOMA — (AP) — "The biggest thrill of my 67 years" was given Earl W. Moore, West Frankfort, Ill., coal miner when he arrived here.

Moore, chosen to be "Dad" of the crack 2nd Infantry Division in a 15,000-entry contest last week, was greeted by this city's mayor, C. V. Fawcett, the chief of staff from Fort Lewis, Col. Joseph M. Tully, and a number of other dignitaries as he left his train car.

Just as he was getting oriented, the tremble in his lip was quieting and his eye clearing, the post's kilted Scottish band let loose with "Annie Laurie" and "Auld Lang Syne."

It was almost too much for the man who raised 14 children—all of his own and three orphans. Supported on the arm of his son, Corp. Virgil Moore, who entered him in the contest, the aging man beat as quick a retreat as he could to the nearby staff car.

"I'll bet I have a heck of a good time," he said heartily to Colonel Tully as the car pulled away.

Next week he leaves Fort Lewis for Hawaii and a week of fun in Honolulu as guest of the division.

Youth Gets Two Years On Bad Check Charge

Edwin Werner, 18, was sentenced to not more than two years in the state penitentiary Tuesday for forging a check here July 8.

Werner pleaded guilty to the charge and asked for probation on the grounds of his youth.

In denying his petition, Circuit Judge G. F. Skipworth considered the fact that Werner had used false draft cards for the purpose of cashing spurious checks. He had left the state and was brought back from Oklahoma for prosecution.

Great Britain produced 14,877,000 tons of steel in 1949, almost tripling its 1931 output.
