Farm Equipment & Supplies 715

ONE FOOT

I am wondering if you LANE COUNTY FARMERS who are working with ONE FOOT in AGRICULTURE and ONE FOOT in INDUSTRY realize how easy it is for you to buy equipment for your part-time FARMING. Instead of waiting to hire someone to do your FARM WORK, why not buy a low priced USED TRACTOR from us and get the enjoyment of doing your own FARMING?

We have a dandy little WALLACE TRACTOR on steel at a steal, all ready to go, with a 2-14 pull-type plow. All for only $295 and on easy bank terms, too.

1950 FERGUSON TRACTOR with famous CONTINENTAL VALVE-IN-HEAD MOTOR traded in this week on a NEW FERGUSON "30" by a farmer over near Dexter. This tractor is really in top condition. New tractor guarantee.

1949 FORD TRACTOR, reconditioned and guaranteed.

GIBSON TRACTOR. Thursday some nice folks down south of Cottage Grove traded in a dandy little GIBSON, plow and disc. We will have this tractor all ready to go Monday before noon.

1947 STUDEBAKER TRUCK, stake body. Somebody's missin' a bet on this—you'd better come on over an' make us a deal.

JOHN DEERE, MODEL GP. This is a dandy tractor with fenders and on good rubber. We had two of these and an eastern Oregon farmer was over here yesterday and stole one. Why don't you come on over and see what you can do on this one? I dare you.

JOHN DEERE MODEL LA with 1-16 plow. You boys that's been wantin' a little one-plow capacity tractor, here it is.

AVERY TRACTOR with lights, a self starter, rubber, 1-16 plow and cultivator. Bean growers, here's your chance to get started farming easily.

TOWNER LIFT DISC, five-foot three offset oil-filled bearings. Used very, very, little.

USED FERGUSON PULL-TYPE TANDEM DISC. We get very, very few of these discs. Here's your chance to buy a good used disc at a low price.

P.S. We just received a nice shipment of DEMPSEY GRAIN DRILLS. We can make immediate delivery on two. With the uncertainty of conditions, we think this is the time to buy a grain drill.

Remember when you buy at GRANT EQUIPMENT COMPANY, it's one-third down and long low bank terms on the balance.

Grant Equipment Co.
