GOOD ADVERTISING REALLY SELLS!

When you tell them, they know. But when you sell them, they buy! And buying makes the difference in your business profits.

Apply this same thinking to your advertising. A listing in a business directory tells the public that you're in business. A timely, pointed ad in the Mail Tribune Classified Section tells 'em . . . and sells 'em! A Want Ad shows the customers that you have what they want right now . . . and gives them good reasons for buying it right now.

When you have something to sell . . . use the advertising medium that knows the difference between telling and selling. Use the Want Ads . . . they make the profitable difference!
