Does your baking powder contain alum? Look upon the label. Use only a powder whose label shows it to be made with cream of tartar.

NOTE.—Safety lies in buying only the Royal Baking Powder, which is the best cream of tartar baking powder that can be had.

A LETTER

I wish to say to all our old friends and customers who for so many years came to our shop for their meats, that it is useless for me to introduce Wood Bros., our successsors, as their 18 years in the butcher business in Wasco county has made them so widely known that an introduction is unnecessary. Being honest, capable business men, they have the means and ability to rwn a business as it should be run, and in a way that will be a credit to our city.

I expect to stay with the new firm for awhile, and will be glad to see you all at the old stand. I will guarantee that you will get just as much meat for your money, just as courteous treatment and just as prompt service as can be had in the city.

We will have a full line of everything good to eat for the Christmas trade.

Respectfully yours,

E. S. MAYES.

New Location.

We are now located in the **Smith Building,** in the room formerly occupied by J. E. Rand, where we will be pleased to see all of our old customers as well as new ones.

This large and well-lighted store has been fitted up with the best and most complete stock of

Staple and Fancy Groceries, Flour and Feed

ever displayed in the City. **Fresh Vegetables** received daily. Call and inspect our stock.
