TAKEN WITH CRAMPS.

Wm. Kirmse, a member of the bridge gang working near Littleport was taken suddenly ill Thursday night with cramps and a kind of cholera. His case was so severe that he had to have the members of the crew wait upon him and Mr Gifford was called and consulted. He told them he had a medicine in the form of Chamberlain's Colic, Cholera and Diarrhoea Remedy that he thought would help him out and accordingly several doses were administered with the result that the fellow was able to be around next day.

The incident speaks quite highly of Mr. Gifford's medicines.—Elkader, Iowa, Argus. This remedy never fails. Keep it in your home, it may save life. For sale by City Drug Store.
