BEAUTIFUL HAIR AT SMALL COST

A SIMPLE REMEDY BEAUTIFIES THE HAIR, CURES DANDRUFF, STOPS FALLING HAIR

What a pity it is to see so many people with thin, wispy hair, faded or streaked with gray, and realize that most of these people might have soft, glossy, abundant hair of beautiful color and lustre if they would but use the proper treatment. There is no necessity for gray hair under sixty-five years of age, and there is no excuse for anyone, young or old, having thin, straggling hair, either full of dandruff or heavy and rank smelling with excessive oil.

You can bring back the natural color of your hair in a few days and forever rid yourself of any dandruff and loose hairs, and make your hair grow strong and beautiful by using Wyeth's Sage and Sulphur Hair Remedy. For generations common garden Sage has been used for restoring and preserving the color of the hair, and Sulphur is recognized by scalp specialists as being excellent treatment of hair and scalp troubles.

If you are troubled with dandruff or itching scalp, or if your hair is losing its color or coming out, get a fifty cent bottle of Wyeth's Sage and Sulphur from your druggist, and notice the improvement in the appearance of your hair after a few days' treatment.

SEWING MACHINES IN THE HOME OF ORIENTAL RUGS

United Press Service

WASHINGTON, D. C., Nov. 15.—How Arabian women in far-off Aden are using the same sewing machines in universal vogue in America is the unique "Arabian Nights" tale recited to the state department by Consul Walter H. Schultz of Aden. He says there are 1,500 sewing machines in use in Aden, the home of Oriental rugs. Many of these are supplied by German manufacturers, and the American make shipped from branch houses of American exporters in Bombay or Egypt.

Extreme poverty of the Arabians generally prevents their purchase of more American machinery, Consul Schulz says, only the very wealthy Arabians being able to afford an American sewing machine.

VALUABLE COWS TO BE EXHIBITED

MILK DEALERS OF SEATTLE TO HAVE A BIG DISPLAY AT THE DAIRY SHOW TO BE HELD IN PORTLAND SOON

Special to The Herald

PORTLAND, Nov. 15.—Milk dealers of Seattle will have a big display at the Pacific International Dairy show to be held in Portland November 18-25. Prof A. N. Henderson, chief milk inspector of Seattle, is directing the preparation of a very full exhibit of milk and cream, which will include the products of nearly every large milk dealer in the Sound territory. In a telephone conversation with O. M. Plummer, manager of the show, Prof. Henderson indicated that the Seattle milk dealers will make the Portland men in this line of business look to their laurels if they are to compare favorably with the showing of the Puget Sound dairymen.

There will be some very valuable cows entered at this show. Some that will be exhibited have advanced registry records of 25 to 30 pounds of butter per week. Such cows show a net earning power of something like $500 per year, aside from their calves. Many of the cattle to be offered at the combination auction sale are of this high class.

Dutch belted cattle, from the Sunflower Dairy at Astoria, will be put up at this auction sale. The herd is headed by the three-year-old bull, "Gold Nugget," for which the owners paid $1,000 when he was a six-months calf.

There will be great interest in the dairy show in the city of Portland itself, as well as in the surrounding territory. Various civic and business men's clubs, such as the Ad Club, the Rotary Club, East Side Business Men's Club and the Progressive Business Men's Club have all signified their intention of spending at least one day at the show.

It developed just before the conclusion of the hearing yesterday that some person had taken a shot at the defendant after he had driven some hunters from his field. Davidson admitted that he had fired three shots from a 32-calibre rifle in order to frighten hunters.
