CHICAGO MARKET.

Reported by I. L. Ray & Co., Chicago Board of Trade and New York Stock Exchange Brokers.

Henry Royse sold to Henry Ferguson 520 acres of land at Hardman, Morrow county, for $5100 a few days ago. He farmed in Morrow county eight years ago, but went back to Kansas. Now he has returned to remain permanently.

The Lostine Ledger says that by July 1 next there will be sent from Wallowa valley to the outside market 3000 head of fat hogs, aggregating nearly $30,000 at contract prices. Of this number, the country adjacent to Lostine will furnish about 2000 head.

Rev. W. E. Sitzer, W. Caton, N. Y., writes, "I had dyspepsia over twenty years, and tried doctors and medicines without benefit. I was persuaded to use Kodol Dyspepsia Cure and it helped me from the start. I believe it to be a panacea for all forms of indigestion". It digests what you eat. Tallman & Co., leading druggists.

Wm. Staggs, who was arrested Friday on the complaint of May E. Coffey, had his trial in the afternoon at the time set. It appears from the evidence that both complainant and prisoner were about equally involved in the matter and after delivering a lecture to both, Staggs was fined $5. The woman's heart melted when she saw Staggs being carried away to jail and she paid his fine and carried him off in triumph.

Mrs. Calvin Zimmerman, Milesburg, Pa., says: "As a speedy cure for coughs, colds, croup and sore throat One Minute Cough Cure is unequaled. It is pleasant for children to take. I heartily recommend it to mothers." It is the only harmless remedy that produces immediate results. It cures bronchitis, pneumonia, grippe and throat and lung diseases. It will prevent consumption. Tallman & Co., leading druggists.

Owen McLaughlin, an old settler of Ruddock, came to Pendleton today. He says cattle wintered exceptionally well in that neighborhood the past winter and that there had been no feeding whatever. Meacham creek, he says, has been higher this spring than for years past, but is now nearly back to its normal condition. He says considerable wood has been taken out of the canyons near there this winter and spring, one party alone having supplied Walla Walla with 4000 cords.

WALLA WALLA VS. HEPPNER.

Heppner Victorious With a Score of 16 to 0.

The Walla Walla football team met defeat at the hands of the Heppnerites in Friday's game. The score stood 16 to 0 in favor of the Heppner team. It was an exciting game throughout and the casualties among the Walla Walla boys were numerous. Seven of their men were knocked out and incapacitated from further taking part in the game. Four were disabled early in the game, and they were replaced by four new men. Before the game closed, however, three of the new men were taken from the field. It was stated that the Heppner team put up a very good game and made some good runs and successfully checked several fine plays of the Walla Walla team. The Heppner team was the same as when they played Pendleton, with the exception of four new players.

"Housework is hard work without Gold Dust"

TO CLEAN NURSERY BOTTLES

After the bottle has been used, rinse it thoroughly in warm water; then fill with warm water containing a teaspoonful of

Gold Dust Washing Powder

and let it stand, shaking every now and then. If rubber tube is used let it remain also in the water. Rinse through clean water several times. Gold Dust is much more effective than soap to clean them, as it removes all specks and motes clinging to the sides of the bottles.

A Good Play.

Mr. Walter Walker's rendition of Jack Medford in "The Nominee," in the play of that name, is of a high standard. His well trained stage appearance and wonderful facial expressions can scarcely be discounted by Mr. Goodwin, who a few seasons ago played the part. The entire company supporting Mr. Walker is very strong. Miss Mildred St. Pierre, the loving wife of the "Nominee," is forcible in acting her part so perfectly natural and free of stage affectation. His mother-in-law, impersonated by Mrs. Anne Mortimer, cannot be improved upon. The other members of the company are well up and clever.

Already the advance sale promises a big house. Those who appreciate a really funny and at the same time seasonable comedy, should not fail to see this company at Frazer opera house next Tuesday night. Seats are now selling at Tallman's drug store.

Street Car Strike in St. Louis.

St. Louis, Mo., March 10.—The management of the St. Louis Transit Co. today refused practically every demand of its employes. In a short time reports were received that men were turning in the cars and inaugurating a strike apparently without further orders from the executive committee. Thirteen systems are involved, which employ 2394 motor men, gripmen and conductors, in addition to 2000 shed men, etc.

Explosion in Fuse Factory.

Pompton, N. J., March 10.—The Smith fuse manufactory at this place blew up and four persons were killed and a number more or less injured. The killed are: John Rhoada, William Gadmus, William H. Talmage, John Merritt. They were at work in the factory with 40 other men and girls. The bodies of the four persons killed were badly mangled and some of them blown to pieces. Percy Jacobs was blown into the river and was badly hurt.

To Protect American Interests.

New York, March 10.—A special to the Herald from Washington says: Orders have been telegraphed to Rear-Admiral Kautz directing him to proceed with the Philadelphia to the Pacific coast of Central America for the purpose of protecting American interests there and endeavor to prevent hostilities among the republics.

Hospital Ship.

San Francisco, March 10.—The naval hospital ship Solace, Captain Dunlap, arrived from Manila after a voyage of 41 days. The Solace brought 33 officers and 175 men, the majority of whom participated in the battle of Manila bay and other naval operations. Lieutenant Gilmore, one of the heroes of the campaign in the Philippines, is a passenger on the Solace.

This Needs Investigation.

Chicago, March 10.—A special to the Record from Orizaba, Mexico, says: George Clark and Scotty McKay, two American locomotive engineers, have been in prison here for over ten months without trial. The only charge against them is that they are responsible for the wreck which occurred near here.

Victoria Returns to Windsor.

London, March 10.—Queen Victoria this evening returned to Windsor castle. Vast crowds gathered outside Buckingham palace and along the route to the railroad station and when the royal carriage started for Hyde Park the enthusiasm broke into cheers, which were unbroken until the train departed.

A Barrel of Money.

The Heppner Gazette says the United States has a barrel of money paid into the treasury at Washington by people of this section who were charged $2.50 an acre for their lands. The Gazette declares there is justice in refunding half of this money to the men who were thus over-charged, and this is freely admitted. The Heppner paper advises congress to refund and do so at once, or give the overcharged people scrip with which to locate other lands. Common justice demands prompt action in this matter, and the congressman who opposes it is an enemy to common honesty.

Presbyterian Church Burned.

The Second Presbyterian church at Twentieth street and Michigan avenue, Chicago, was destroyed by fire Thursday night. The building was the home of one of the most aristocratic congregations in Chicago. A reception was being given in the church parlors by the Young People's Christian Endeavor Society of the church, and the assemblage was in the midst of the festivities when the blaze was discovered in the organ on the main floor. There was a wild rush for the exits, but all escaped safely. The loss on the building and furnishings is estimated at $200,000.

Wait for the wagon

or rather wait for the "White" bicycle. We have a shipment of "White" wheels in transit, and while they are coming we want to tell you a few things about them.

Last year in the six-day international bicycle race at San Francisco, from Feb. 13 to Feb. 19, the "White" bicycle won four of the eight prizes offered.

At San Jose, Sept. 9, 1898 C. M. Smith beat Eddie Bald's long-standing record of 2:01 2-5; time 1:59 flat.

We also learn that the 1900 "White" has recently broken two world's records at Los Angeles, one the standing start, mile record in competition, unpaced, in 1:57 flat; also 15 miles paced competition record in 26:27 2-5.
