VEREIN EINTRACHT DANCES.

German Society Give a Party at the Armory on Monday Evening.

On Monday evening, at the Armory hall, the Pendleton Verein Eintracht gave another dancing party. Present were the members of the Eintracht and their families, together with many friends who had been invited to enjoy the evening with them. It has become so common a thing for people to enjoy themselves at the parties given by this organization that as each one occurs it is almost unnecessary to repeat the statement that the event was successful. George Pottner was in charge of the floor, and properly managed the dance program. The male singing society of the Eintracht rendered several well sung selections, which as usual delighted the auditors.

During the evening luncheon was served.

"Housework is hard work without Gold Dust"

TO CLEAN NURSERY BOTTLES

After the bottle has been used, rinse it thoroughly in warm water; then fill with warm water containing a teaspoonful of

Gold Dust Washing Powder

and let it stand, shaking every now and then. If rubber tube is used let it remain also in the water. Rinse through clean water several times. Gold Dust is much more effective than soap to clean them, as it removes all specks and motes clinging to the sides of the bottles.

The Oregonian says the last case of smallpox taken up in Portland is a man from Eastern Oregon. He came to Portland for surgical treatment at one of the hospitals. Smallpox developed ten days ago, and the patient was isolated at the posthouse, where he is receiving all attention necessary. He has the disease in a rather malignant form.

W. W. Mayhew, Merton, Wis., says, "I consider One Minute Cough Cure a most wonderful medicine, quick and safe." It is the only harmless remedy that gives immediate results. It cures coughs, colds, croup, bronchitis, grippe, whooping cough, pneumonia and all throat and lung diseases. Its early use prevents consumption. Children always like it and mothers endorse it. Tallman & Co.

The annual parish meeting of the Church of the Redeemer will be held at the church this evening at 7:30 o'clock. The object of the meeting is to receive reports from the officers of last year and to elect six vestrymen to serve during the coming year and to transact any other business proper to come before said meeting. It is hoped that there will be a general attendance of the friends and members of the congregation.

Fred Waite, traveling salesman for Baker, Hamilton & Company, wholesale hardware dealers of San Francisco, left this morning for Portland. Mr. Waite has just sold two complete hardware stocks to be opened up at Lawton, the new town in the Granite mining district. The firms buying the stocks were Butterfield & Fischer, of Union, and the Hobson Mercantile company, of Sumpter, the latter firm having a location in Lawton.

ROSS PASSED WORTHLESS CHECKS.

Athena People Bilked by the Black Mustached Newspaper Man.

Athena, April 17.—F. H. Ross, who was in the employ of J. P. McManus of the Pendleton Republican, passed a number of checks on the Pendleton Savings bank, checks which prove to be worthless, since Ross has no account at the Pendleton bank, nor has at any time had one. So far, four of the checks have turned up, as follows: One each to Dave Lane, H. P. Miller, Bob McGee and the First National bank of Athena.

Ross came here from Pendleton last week, ostensibly on a business trip for the republican. Passing the checks, he left and has not yet been found. The total amount secured on the worthless checks was $60.

Ross' Crooked Dealings.

Here in Pendleton, the acts of Ross at Athena in thus obtaining money by fraudulent means appear to have been in line with his last operations here in Pendleton. Mr. McManus stated that Ross was ahead of the Republican about $250, and it is claimed that he left a number of unpaid bills at stores and other places of business.

During the last days he spent in Pendleton, he was apparently preparing to leave on a moment's notice. He went to Cris Simpson's livery barn and engaged a fast team. Mr. Simpson keeps, and for two days did not take them from the barn, although they were on his charge all the time. The team with which he finally went to Athena were secured at Sam Hayes' barn on Court street. He drove them to Athena, there leaving them and taking the train.

Ross was a competent man in the business department of a newspaper, but seems to have lacked integrity. His record here is now such as to preclude the possibility that he will ever come back.

A BIG BOARD BILL.

Claimed a Note Was Forged Against a Dead Man.

One thousand dollars for the care of a sick man during one month, was the charge which was made against F. M. Salisbury's estate by Edith M. Davis. This was brought out in a case tried before County Judge Bean Monday afternoon. The case was entitled "Edith M. Davis against C. A. Frazier," administrator of the estate of F. M. Salisbury, deceased. Carter & Raley appeared for Frazier, and T. G. Halley for Mrs. Davis.

The claim was made by presenting to Administrator Frazier a note for $1000, purporting to have been made by Mr. Salisbury. Mr. Frazier refused to pay it, on the ground, first, that he believed the signature was not genuine, and, second, that no consideration had passed for the $1000.

In the evidence at the trial, Mrs. Davis testified that the note was given in payment for one month's care which was given the late Mr. Salisbury before he died, at the Davis house on McKay creek. It was admitted by her that no other service was rendered for the $1000 claimed.

The evidence was taken on Monday, and argument will be heard next Monday.

Railroad Notes.

The Northern Pacific railroad has secured a right of way along the Touchet river from Riverside to Waitsburg. By the completion of this branch Walla Walla will be placed off the main line of the Hunt system.

The O. R. & N. has made recent changes as follows: P. Grant, appointed roadmaster of the Third Oregon district at La Grande, vice P. J. Nowlan, resigned. Mr. Grant resigned a similar position at Walla Walla, where J. S. Connors succeeds him. He was transferred from Umatilla, where William Anderson takes his place.

Local Market.

Pendleton dealers are paying the following prices for ranch and farm produce:

Butter, 25c per roll.
Eggs, 10c per dozen.
Potatoes, 60c per sack.
Parsnips, 50c per sack.
Cabbage, $5 per 100 pounds.
Turnips, 75c per 100 pounds.
Chickens, $2.50 to $4.00 per dozen.
Ducks, $4 per dozen.
Live turkeys, 10c per pound.
Geese, $10 per dozen.

Sumpter's "Plunger" Quits.

W. L. Vinson, "the man who made Sumpter," is "busted." His real estate holdings have been surrendered to the parties from whom they were purchased, the electric light plant has been taken by the First National bank of Baker City for the debt that bank held against it; the water works have fallen to E. P. McCormick of Salem, and his other property has passed to other creditors, and Sumpter is minus her "pusher" while Vinson's English backers are holding an empty sack.

OREGON ELOPEMENT.

A Man Living Near Copperfield Runs Off With a Young Girl.

Copperfield, Ore., April 16.—William Carter, a man employed on the Vaughan ranch near here, ran off with a 13-year-old stepdaughter of William Parry. The couple stopped all night in an old cabin near here and early in the morning they crossed the river and made their way to Cuprum, Idaho.

The constable at Cuprum was notified and he arrested them at Huntly's ranch and brought them to Cuprum, where they were locked up. Carter has always borne a fair reputation heretofore.

A. R. Bass of Morgantown, Ind., had to get up ten or twelve times in the night, and had severe backache and pains in the kidneys. Was cured by Foley's Kidney Cure. It's guaranteed. Pioneer Drug Store.

General Manager Joseph McCabe and Traveling Freight Agent Kit Carson, of the W. & C. R. R. Co., are here today from Walla Walla.

W. J. Stockman, of Vansycle, was in town today. Mr. Stockman confirms all previous reports that the crops are in finer condition than ever before.

Frank Perham, who has been employed as a clerk at the Boston Store, has gone to La Grande, where he enters a store to serve in the same capacity.

W. D. Chamberlain, democratic candidate for county clerk, came down from Athena this morning and has been calling on Pendleton people today. Mr. Chamberlain has made an excellent impression on the voters of the county since coming before them as a nominee for office.

Green Bound Over.

Caldwell, April 17.—Albert Green had a hearing before Probate Judge Wallace here on the charge of shooting Scott Stewart on the Payette some time ago. He was bound over to the district court and bail fixed at $2000. His trial will be had at the present term of court.

Acker's Saved Her Life

"About two miles from Vassar, Mich., where I keep a drug store, lives Mrs. T. M. Bratt. She was very sick and hopeless with consumption. I watched her case with interest after she began taking Acker's English Remedy for Consumption, because I had heard so much about its wonderful cures. Well sir, perhaps you will doubt it, but with my own eyes I saw this woman get well and strong on that remedy. In a very short time the cough stopped, her lungs were healed up, the soreness went away, and she began taking on flesh. She herself said: 'Mr. Bullard, I owe my life to Acker's English Remedy. It is a certain cure.' In Mrs. Bratt's neighborhood her recovery has occasioned much comment, as you can easily understand. Her case was one where everybody thought it was only a question of a little while until she would die. I feel it a duty as a druggist to write this letter, so that there need be no more deaths from consumption."

The New York World, Thrice-a-Week Edition

ALMOST A DAILY—AT THE PRICE OF A WEEKLY.

The most widely circulated "weekly" newspaper in America is the Thrice-a-Week edition of The New York World, and with the presidential campaign now at hand you cannot do without it. Here are some of the reasons why it is easily the leader in dollar a year journalism.

It is issued every other day, and is to all purposes a daily.

Every week each subscriber receives 18 pages and often during the "busy" season 24 pages each week.

The price is only $1 per year.

It is virtually a daily at the price of a weekly.

Its news covers every known part of the world. No weekly newspaper could stand alone and furnish such service.

The Thrice-a-Week World has at its disposal all of the resources of the greatest newspaper in existence—the wonder of modern journalism—"America's Greatest Newspaper," as it has been justly termed—The New York World.

Its political news is absolutely impartial. This fact will be of especial value in the presidential campaign coming on.

The best of current fiction is found in its columns.

These are only some of the reasons; there are others. Read it and see them all.

We offer this unequaled newspaper and the weekly East Oregonian together one year for $2. The regular subscription price of the two papers is $2.50.

The Tri-Weekly World and the Semi-Weekly East Oregonian one year for $2.50.
