Everybody Talks Economy

these days, but few understand and know how to practice it.

Our idea of it is to buy only what you need and to buy the best, because it lasts longer and your money goes further.

You doubtless need a new spring hat, every man does, and it will be economy for you to buy one of our

Iowa Farmers Buy Many Automobiles

DES MOINES, Iowa, March 29.—Iowa farmers are buying automobiles this spring as never before, thus indicating the war has had its effect on the Hawkeye state's farming property.

The purchasing of automobiles is a sign of the times, according to the bankers here, who announce the farmers have put more money in circulation this winter and spring than ever before. They've got more.

But all the money in the state is not being spent for pleasure. The farmers are busy buying their spring wheat seed, and within a short time the planting of three-quarters of a million acres in spring wheat will commence.

The winter killing of fall wheat has spurred the farmers to greater efforts in bringing out a big crop this spring, and with fairly good weather and ground conditions, Iowa will break her wheat production records.

ARMS HELP IN CONVERSATION WITH FRENCH

FORMER RESIDENT OF KLAMATH FALLS DECLARES IN LETTER THAT VIGOROUS WAVING IS BIG AID IN TALKING ABROAD

In a letter to Dean Eric W. Allen of the School of Journalism at the University of Oregon, Joe L. Skelton, formerly a Klamath Falls boy, describes some of the conditions existing in France. The best way to make yourself understood in France is to talk with your hands and arms, declares Skelton, who wishes he had taken advantage of some of the French courses while at the university. He says:

"I have been over here for nearly a year, and we've rambled around France considerably, having ridden in everything from box cars to first class carriages. I think they call these little dinky coaches carriages in this country. A real American coach, or even an American box car, would look good—anything American looks good to us."

Ohio Man Is Modern Wizard

Discovers magic ether compound which loosens a corn so it lifts right out

Good news spreads rapidly and druggists here are kept busy dispensing freesone, the ether discovery of a Cincinnati genius, which is said to loosen any corn so it lifts out with the fingers.

Ask at any pharmacy for a quarter ounce of freesone, which will cost very little, but is said to be sufficient to rid one's feet of every hard or soft corn or callus.

You apply just a few drops on the tender, aching corn and instantly the soreness is relieved, and soon the corn is so shriveled that it lifts out without a particle of pain. It is a sticky substance which dries when applied and never inflames or even irritates the adjoining tissue.

This discovery will prevent thousands of deaths annually from lockjaw and infection heretofore resulting from the suicidal habit of cutting corns.—Adv.

FEW FOLKS HAVE GRAY HAIR NOW

DRUGGIST SAYS LADIES ARE USING RECIPE OF SAGE TEA AND SULPHUR

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmothers made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture, improved by the addition of other ingredients by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.—Adv.

Grants Pass Guards Are Deputy Sheriffs

GRANTS PASS, March 29.—There are now eighty names on the roll of the Grants Pass Home Guards. F. B. Olding was elected captain and Fred A. Williams and Ralph Davis first and second lieutenants. Application has been made to the attorney general for rifles and ammunition, and drilling will commence in earnest as soon as they arrive. The men will meet Monday night for the present. Most of the guardsmen have been sworn in as deputy sheriffs. Captain Olding has had eight years of National Guard experience in Minnesota and South Dakota.

If Backachy or Kidneys Bother

Eat less meat, also take glass of Salts before eating breakfast

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drinks lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only a trouble.—Adv.

LEGAL NOTICES

RESOLUTION

Whereas the Common Council has heretofore by resolution deemed expedient and necessary the construction of the sewer hereinafter described, and has required from the city engineer plans and specifications therefor, with all necessary catch basins, man holes, lampholes and branches, and estimates of the work to be done and the probable cost thereof, and the city engineer having filed in the office of the police judge the plans, specifications and estimates so required, and,

Whereas, The Common Council finds said plans, specifications and estimates so filed to be satisfactory;

Be it Resolved, That the Common Council hereby declares its intention to construct, at an estimated cost of one thousand one hundred ninety ($1,190.00) dollars, the sewer (together with all necessary catch basins, manholes, lampholes and branches) described and located as follows:

Beginning at the intersection (center of the intersection) of Delta street and the alley separating Fairview Addition No. 1 from Fairview Addition No. 2; thence south thru the center of said alley to Upham street; thence to the manhole at intersection of Prospect and Upham streets. Beginning again at center of intersection of said alley and Fulton street, and running west on Fulton to west boundary of Oregon avenue.

Be it further Resolved, That the plans, specifications and estimates for said sewer as filed by the city engineer be and the same are hereby approved.

Be it further Resolved, That the property described as follows will be benefited by the construction of said sewer, and that said property be assessed for one-half the cost of said sewer in the sum set opposite each lot and parcel, said respective sums being the portion of the estimated cost of said sewer allotted and determined to each lot and parcel by the Common Council, to-wit:
