AMERICAN RELIEF WORKERS GREETED BY MANY TOILERS

MITYLENE, Greece, Sept. 6.—American relief workers into each town on this island was a triumphal occasion according to a report just issued on the American Red Cross work and both owners and employees went down to the public square to welcome the visitors. There a band of four or five pieces did its best.

There are about eighty towns on the island and into these places are crowded 52,000 refugees who fled from the Turks on the mainland at the outbreak of the war. The first new clothing they have received in four years has been presented to them. Many soup kitchens have been established and the poorly-nourished population is receiving one mea' a day.

GERMANS REPLY TO ALLIED NOTE

BERLIN, Sept. 5.—The Germans have replied to the note of the Allies regarding the representation of Austria in the German Reichstath.

The note declared that the German people's delegation had informed the Allies on May 27th. that Germany had no intention to modify the Austria-German boundaries by trying violence. The Huns said however, that they could not undertake to oppose the German-Austrian spontaneous desire for union with Germany.

COMB SAGE TEA INTO GRAY HAIR

DARKENS BEAUTIFULLY AND RESTORES ITS NATURAL COLOR AND LUSTRE AT ONCE

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxurians. Mixing the Sage Tea and Sulblesome. An easier way is to get the phur recipe at home, though, is trouready to use preparation improved by the addition of other ingredients, costing about 50 cents a large bottle, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of muss

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it is done so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes dark, glossy, soft, and luxuriant, and you appear years younger.
