The Office Cat

BY JUNIUS

OLD BLUE LAWS

In superstitious days, 'tis said,
Hens laid two eggs on Monday
Because a hen would lose her head
That laid an egg on Sunday.

Now our wise rulers and the law
Say none shall wash on Sunday.
So, (pity) folks must dirty go
And wash them twice on Monday.

A subscriber writes: "What is home without a cat?" This bird must be married.

Carried Them Out

The managing editor wheeled his chair around and pushed the button for the office boy.

"Here," he said to the youthful factotum, "are a number of directions from subscribers as to the best way to run a newspaper. See that these ideas are carried out."

And Jimmy, gathering them all into the editorial waste basket, did so.

SAY IT WITH ONIONS

I love to sing of fragrant things
Like onions, and cabbage and cheese;
Of red beans and rice, and garlic and spice,
That flavor the fat evening breeze
The cute little, adipose breeze.
But ere my song is welkin rings,
My tears stream like April showers,
"I love you, my Pearl," a youth told a girl—
But said it with cauliflowers:
Yes, gooey and fat cauliflowers.

The onion was the first wireless telegraph.

CONDENSED RATIONS FOR ARMY MULES RAISE EFFICIENCY

CAMP LEWIS, Wash., Jan. 26.—A horse, like a soldier, travels on his stomach, and experiments have recently been completed here with a pressed and compact war-time ration for horses and mules. The tests are regarded as successes, for the animals gained weight and returned their strength after 40 days on the "iron rations."

The rations were made of No. 3 white oats, kiln-dried and crushed and held together by a 13 percent mixture of pure cane black-strap molasses. The food was compressed into bricks weighing three pounds each, 3 inches thick, 6 inches wide and 12 inches long. For a horse a daily ration of three bricks, weighing nine pounds, was furnished, contrasted with the bulkier 12-pound regulation ration of loose oats. Mules were fed two bricks with an extra three quarted pound chunk daily, as contrasted with the regulation nine pounds of loose oats.

The horses and mules on the ration were put through severe marching expeditions on the special ration. They performed satisfactorily.

The tests here were part of a war department experiment to develop a ration that would consume the smallest space and be most easily transported in military operations.

PREPARING FOR INCREASE IN S. F. BIRTH RATE

SAN FRANCISCO, Jan. 26.—Twenty-five tons of baby buggies were brought into San Francisco last year by steamship, for local purchasers, according to custom house statisticians, who figured that this tonnage represented more than 50,000 buggies.

TO DARKEN HAIR · APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Attractiveness

Common garden sage brewed into a heavy tea, with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store, all ready to use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two your hair becomes beautifully dark, glossy, soft and luxuriant.—Adv.

BIG EATERS GET KIDNEY TROUBLE

Take Salts at first sign of Bladder Irritation or Backache

The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Adv.

HEAD STUFFED CATARRH? USE HEALING CREAM

If your nostrils are clogged, your throat distressed, or your head is stuffed by nasty catarrh or a cold, apply a little pure, antiseptic, germ destroying cream into your nostrils. It penetrates through every air passage, soothing inflamed, swollen membranes and you get instant relief.

How good it feels. Your nostrils are open. Your head is clear. No more hawking, snuffling, dryness or struggling for breath. Get a small bottle of Ely's Cream Balm from any druggist. Colds and catarrh yield like magic. Don't stay stuffed up. Relief is sure.—Adv.

RED PEPPER HEAT ENDS RHEUMATISM

Red Pepper Rub takes the "ouch" from sore, stiff, aching joints. It cannot hurt you, and it certainly stops that old rheumatism torture at once.

When you are suffering so you can hardly get around, just try Red Pepper Rub and you will have the quickest relief known. Nothing has such concentrated, penetrating heat as red peppers. Just as soon as you apply Red Pepper Rub you will feel the tingling heat. In three minutes it warms the sore spot through and through. Pain and soreness are gone.

Ask any good druggist for a jar of Rowles Red Pepper Rub. Be sure to get the genuine, with the name Rowles on each package.—Adv.

RHEUMATIC JOINTS
Rub Pain Right Out - Try This!

Rheumatism is "pain only." Not one case in fifty requires internal treatment. Stop drugging! Rub soothing, penetrating "St. Jacobs Oil" directly into your sore, stiff joints and muscles and relief comes instantly. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and cannot burn or discolor the skin.

Limber up! Quit complaining! Get a small trial bottle of old-time "St. Jacobs Oil" at any drug store and in just a moment you'll be free from rheumatic pain, soreness and stiffness. Don't suffer. Relief and a cure awaits you. "St. Jacobs Oil" has cured millions of rheumatism sufferers in the last half century, and is just as good for sciatica, neuralgia, lumbago, backache, sprains and swellings.—Adv.
