A gambler remarked this morning: "I don't think Braner will come back to Pendleton after he gets out of the penitentiary. He has served a term in the penitentiary before and I have 'something up my sleeve' to spring on him if he should return."

The injunction cases to restrain Sheriff Blakley from selling First National bank stock for delinquent taxes, the property of Levi Ankeny, H. F. Johnson, J. S. McCloud and others, will not come up before Judge Ellis until after District Attorney Hailey's return from the east.

The work of numbering the business houses and residences and putting up the names of the streets at the intersections of streets in Pendleton is going forward slowly. In the south window of the Peoples Warehouse their trimmer has shown what an attractive dipslay can be made of moire ribbon, infants' bonnets, ladies' vests, children's vests, honeycomb towels, glass towel, cretonne, pin cushions, ladies' collars, white damask napkins, turkey red fringe napkin, satin ribbon, children's handkerchiefs, corset steels, good toweling, dressing combs, side combs, ladies' black hose, children's black hose, black bone hair pins, ladies' belt purses, any of which at 5c per yard or for the article.

PEACOCK FEATHERS.

Willie Harris of New York and His Fresh Partner.

For the past few days two boys have been busy selling peacock feathers on the streets of Pendleton at 25 cents per bunch. One of the boys arrived on Monday night and the other Tuesday night. No objection was made to the first boy peddling the peacock feathers, notwithstanding he was so fresh that the lack of suitable cold storage in Pendleton was painfully apparent. When Willie Harris, the second boy, came to town, Conductor Kelsay, with whom he traveled from La Grande, told Marshal Heathman to arrest him under instructions from Sheriff Phy, of Union county. No charge was preferred, however, so the boy was not arrested. Little Willie was taken before Recorder Beam by Marshal Heathman and instructed regarding the peddlers' license. He said he could not pay the $3 per day required, and would therefore quit selling. Recorder Beam told him that if he was caught selling any more bunches of peacock feathers without a license he would be thrown in. The boy says he will go west.

INDIAN ELECTION POSTPONED.

Dispute Arises as to Whether or Not All Tribes Shall Vote.

No chief was elected on Tuesday by the Cayuse Indian tribe on the Umatilla reservation. It had been announced positively and unequivocally that the choice would be made then by ballot, a la pale face. But, when the day arrived, a dispute arose as to whether all the three tribes should vote for Young Chief's successor, or only the Cayuses, hence the matter was posptoned until Friday.

From Paul Showaway it is learned that Cash Cash and his friends and followers favored confining it to the Cayuse tribe. Others advocated permitting all three tribes to participate in the election.

The election has dragged along for ten weeks, and has been a dozen times postponed. The Indians are exhibiting a disposition to engage in machinations and plots and schemes to win out for this or that candidate, and would be able to give points to the average white man, be he never so well versed in the wiles of the politician.

The bilious, tired, nervous man cannot successfully compete with a healthy rival. DeWitt's Little Early Risers, the famous pills for constipation, will remove the cause of your troubles. Tallman & Co.

A special from Washington says that a study of the figures of the bureau of statistics, giving the exports through the various ports of the United States, in the fiscal year 1900, shows that in that year and the months which have followed, New Orleans has taken second rank as an exporting port, and has displaced Boston in its position as the second exporting city of the country.

Eczema, saltrheum, tetter, chafing, ivy poisoning and all skin tortures are quickly cured by DeWitt's Witch Hazel Salve. The certain pile cure. Tallman & Co.

WHITMAN DIRECTORS MEET

PRESIDENT PENROSE WAS UNANIMOUSLY RE-ELECTED.

An Athletic Instructor to Be Added to the Faculty for Next Year.

Walla Walla, June 12.—The annual meeting of the board of directors and election of officers of Whitman college occurred yesterday morning at the Memorial building. Dr. Penrose was the unanimous choice of the board for retention in his present capacity and he was warmly praised for the work that has been done and the general excellence of the institution. The following were elected:

President of the trustees N. G. Blalock of this city; trustees, Rev. H. P. James, of Colfax; H. E. Johnson, of this city; Rev. Myron Eels, of Union, Ore.; A. H. Reynolds, of this city, and President S. B. L. Penrose, being re-elections. One change was made in the membership of the advisory board, Rev. Austin Rice, of Walla Walla, being chosen to succeed W. C. Wheeler, of Tacoma, whose term had expired. To the latter board the following were re-elected: Rev. Samuel Greene, of Seattle, Rev. E. L. Smith, of Seattle, and Rev. H. M. Painter, of Rosalia.

During the just completed school year President Penrose has traveled 8500 miles in the interests of the school and made in all 71 addresses. Owing to the fact that Rev. Perry Chandler has been in the field for the college during the past 12 months it has not been necessary for the president to devote so much of his time to this work as was formerly the case. The present enrollment of students is 298, an increase of 238 since the time Mr. Penrose took charge of the institution. The valuation of the buildings and lands owned by Whitman at the present time is placed at $125,000 and in addition to this there is an endowment fund of $191,000. During the past year the sum of $11,070 was received from donations.

Faculty Changes.

In speaking of changes in the college faculty for the coming year President Penrose in his report stated that Miss Louise R. Loomis, instructor in Greek, Latin and history, had resigned and would return to the east. William Worthington who has for the past year filled the place made vacant by the temporary absence of Prof. Lewis Anderson, will pursue his studies for the ministry. The addition of Prof. Charles W. Allen as a member of the faculty of the college to take charge of the athletic training of the scholars was announced, the condition being made possible by the generosity of Levi Ankeny, a member of the board of trustees. To fill the vacancy caused by the retirement of Miss Loomis, President Penrose recommended the appointment of Miss Edith P. Merrill, daughter of ex-President Merrill, of Ripon college.

The President's Reception.

President Penrose and Mrs. Penrose received yesterday afternoon at their home in College avenue, between the hours of 4 o'clock and 6 o'clock. The event was in honor of the students, officers and trustees of the college. The rooms were decorated with red and pink roses. Lemonade was served by Mrs. E. L. Smith, of Tacoma, Miss Louise Baker and Miss Bertha Hauser, of Pataha. About 200 guests were present.

L. E. Penland will leave on Thursday to inspect some of the wheat fields of Umatilla county with a view of ascertaining how much, if any, damage has been done to wheat by the cold weather of June 5-7.

J. W. Crate will leave at 5:25 this afternoon for Baker City in response to a request from the manager of the baseball team there to come at once to play second base. Mr. Crate has played several games in Pendleton during the past few years. He has been here this trip but a couple of weeks, coming up from Portland. Mr. Crate says that Rhea, who played here with the Walla Walla team one Sunday, June 2, is also going to play with the Baker City team.

Miss Minnie S. Rose, a gradnate nurse from the New Walla Walla hospital training school, is in town today, the guest of Mrs. E. A. Mann. Miss Rose has selected Pendleton as her field for operations as a trained nurse, and will be here in a short time to remain. She now has a patient at Athena, and will return there this evening. Miss Rose is thoroughly qualified to serve in the profession she has chosen, and for which she has prepared during several years past. Her coming will give Pendleton two finely trained nurses, and both she and Miss McGee, who has been here for a year past, will no doubt have numerous calls for attendance upon cases in which skill and knowledge are demanded.

CROWNER AND TODD

The Case From Meacham Being Heard Before Justice Fitz Gerald.

The trial of Elay Todd and Alex Crowner came up at 10 o'clock this forenoon before Justice Fitz Gerald. These young defendants were placed under arrest last week charged with throwing chunks of metal through the windows of Ben Marlin's hotel at Meacham by means of slings. There are about 15 persons present from Meacham, including Ben Marlin, the complaining witness, the defendants, Mr. Crowner, W. C. Betts, Hank Reynolds and others. District Attorney Hailey appears for the state and Charles H. Carter for the defese. The prosecution rested its case between 11 and 12 o'clock and the defense immediately commenced. There are 12 or 15 witnesses present. The trial is proceeding with six jurors listening attending to the testimony.

CAESARIAN OPERATION.

Dr. Cole Performs One at Walla Walla Hospital.

Dr. W. G. Cole is in Walla Walla where, at the New Walla Walla hospital he performed one of the most difficult operations known to medical science. It is known as the Caesarian operation and is the second ever performed in the state of Washington. Mrs. Kenneth McRae, of Cold Spring county, was the subject. The mother and a 9-pound boy are, at last reports over the telephone this afternoon, doing well, and Mr. Cole and the hospital physicians hope that recovery will be complete.

THE CORONATION OF EDWARD

London Paper Says Date Will Be June 25, 1902.

London, June 12.—Truth announces today that King Edward's coronation will probably take place on June 25, 1902.

Edward Gave Medals.

London, June 12.—King Edward officiated at a long and impressive ceremony this morning. His majesty presented three thousand war medals to the British soldiers for gallant conduct. He gave each medal personally, thus prolonging the ceremony for three hours.

Walla Walla School Superintendent

Walla Walla, June 12—F. M. Burke was elected city superintendent to succeed Prof. R. C. Kerr by a vote of 3 to 2, and afterwards the election was made unanimous.

Land was purchased on Saturday near Toledo, O., for the largest linseed oil mill in the world, which will fight the trust. Stakes for the buildings were set today. E. Lewis Metzger, of Philadelphia, is the person appearing in the transaction, but it is understood that with him is associated Guy C. Majors, president of the American Linseed company. Both are practical linseed oil men, and the new mill is to be erected as speedily as possible.

The Paris papers, with few exceptions, comment upon the unfavorable financial situation, as shown by the revenue returns, which, as compared with those of last year, have decrease more than 45,000,000 francs. It is pointed out that this is not an opportune time to introduce an income tax, a fear of which is already driving capital to seek investment abroad.

The proposed amendment to the Chicago Board of Trade providing for brokers to trade in puts and calls was defeated at an election held on 'change.
