DRUG TRAFFICERS DEVISE NOVEL PLAN TO MAKE DELIVERY

LONDON, Sept. 22.—Scotland yard is conducting an intensive campaign against west end drug traffickers whose activities of late are said to have greatly increased. Some of the methods used in delivering drugs to the purchaser are described in a recent report.

"Fourth lamp-post on the right," a trafficker whispers in the ear of a cocaine victim. He passes down the street, and with the aid of chewing gum fixes a little white packet on the fourth lamp-post. The purchaser follows at a discreet distance and removes the packet.

Another trafficker drops rolled omnibus tickets on the pavement. He is followed by a string of clients who pick up the tickets, which of course contain cocaine.

Another throws an apparently empty match box into the gutter. A minute or so later a customer picks it up and extracts one or more packets of cocaine.

Another trafficker keeps the drug in the turned-up ends of his trousers. He advises his customers where he will walk, and as he goes along he stops as if to fasten his bootlace. In reality he is placing a packet of cocaine on a doorstep, whence a customer picks it up.

Ironized Yeast Gives the Stomach Natural Digestive Power!

There's one organ in the human body that "kicks back" when it gets weak, and that's the stomach. No stomach on earth can operate without vitamines-and-iron. The same thing is true about the nerves. There is hardly anything that can happen

Stomach-Power Gone! Ironized Yeast Quickly Builds Up Digestive Power. You'll Relish Your Food!

to the nervous system that is not at once reflected to the stomach. Weak nerves! weak stomach! Nature has only one answer: more vitamines ironized! But remember that Ironized Yeast is not a mere mixture of yeast and iron, but is yeast ironized, which is a substance all by itself. This is why Ironized Yeast produces almost immediate results in cases of loss of appetite, aversion to food, belching, gas on the stomach, fermentation, "lump-of-lead" feeling after eating, dyspepsia, indigestion. There is only one Ironized Yeast in the world; it contains yeast-vitamines-with-organic-iron, the very natural food-power which every strong stomach and every strong nervous system possesses. The answer is, Ironize! vitamin-ize! Ironized Yeast, is sold at all drug stores at $1.00 a package. Each package contains 60 tablets, each tablet is sealed. They never lose their power. M'f'd by Ironized Yeast Co., Atlanta, Ga. Take Ironized Yeast, and you'll enjoy eating, and digest thoroughly everything you eat. That's life!

SULPHUR SOOTHES UGLY, ITCHING SKIN

The First Application Makes Skin Cool and Comfortable

If you are suffering from eczema or some other torturing, embarrassing skin trouble you may quickly be rid of it by using Mentho-Sulphur, declares a noted skin specialist.

This sulphur preparation, because of its germ destroying properties, seldom fails to quickly subdue itching, even if fiery eczema. The first application makes the skin cool and comfortable. Rash and blotches are healed right up. Mentho-Sulphur is applied like any pleasant cold cream and is perfectly harmless. You can obtain a small jar from any good druggist.—Adv.
