WESTON WHEAT UNHURT.

Snow Was on Ground Before Cold Weather Came.

Senator George W. Proebstel, who was in Pendleton yesterday from his home in Weston, said that the wheat in this section was not damaged by the cold snap. The ground was covered with snow thereabouts Friday before the frigid weather set in in earnest and there was not the wind to drift it that some other parts of the country had, consequently the grain was protected from the cold. He said it was 15 degrees below zero at his place Friday night.

A Profitable Investment.

"I was troubled for seven years with my stomach and in bed half my time," says E. Demick, Somerville, Ind. "I spent about $1000 and could get nothing to help me until I tried Kodol Dyspepsia Cure. I have taken a few bottles and am entirely well." Kodol Dyspepsia Cure does the stomach's work by digesting the food. Tallman & Co. and Brock & McComas.

In Little Rock, Ark., heavy losses resulted from the terrible storm of sleet and cold rain which has prevailed. The business section of the city is a scene of desolation. The estimated damage will exceed $400,000, including loss to business. Fully 5000 shade trees were demolished.
