# AMONG THE EXCHANGES OF THE INLAND EMPIRE

### Very Deep Snow.

Freighters arriving in the city yesterday from Cottonwood state that the road over Craig mountain is firmly frozen and would be in perfect condition for teaming but for the heavy snowdrifts that are encountered in the Mason prairie sections. The average depth of the snow over the mountain is about 18 inches, but on Mason prairie it is drifted to a depth of six feet which is a great menace to the freighting in the upper country.

Freighters now coming into the city for freight for the mountain sections are generally loaded with oats or wood for the Lewiston market and thus realize a profit at each end of the trip. It is stated that the freighting business is greatly increased each year and that within a few years the roads will need much improvement in the mountain sections before the growing freight business can be handled.—Lewiston Tribune.

### Walla Walla Poultry Show.

From the number of enquiries to Secretary E. C. Mills and President N. H. Randall of the Walla Walla Valley Poultry association, at least 800 birds are expected at the approaching poultry show in Armory hall February 2 to 6. Some of the best breeders in Washington and Oregon have written assurances that they will be here with several pens, and as the Pullman show is cancelled this year, Walla Walla is expected to get additional support from the Palouse.—Walla Walla Union.

### Butcher's Victim Recovered.

Jerry White, who was wounded several days ago in an encounter with Colonel W. F. Butcher, was removed from St. Elizabeth hospital yesterday to his home. While one report was given out to the effect that his right arm is practically paralyzed, and that he is still in a very serious condition, his physicians refuted this statement to the Herald this afternoon, and stated that he is doing well and is past the critical point.

They report his case very favorable and deny any other statement of the case.

It is rumored today at noon that Mr. White would go to Pendleton as soon as possible to have the X-ray process administered in the endeavor to locate the bullet in his neck.—Baker City Herald.

### Big Smelter Coming.

It comes from the most reliable authority that a 100-ton smelter is to be erected here by the Improved Mineral Smelter company of Portland, Ore. The smelter will be used to reduce the ores of the famous Wood River district. It is understood that many of the mining men of this district have offered the company liberal inducements in the shape of a substantial bonus to assist in the erection of the proposed plant. Competent smelter men and engineers are coming here next week to select the best location for the smelter. It is the intention of the company having the matter in charge to have the smelter fully installed and in operation by the first of May.—Boise Statesman.

### Dogs.—Male and Female.

There is likely to be doings among the canine tribe after February 1, if the city tax assessed against members of this family is not paid. This tax due and collectible now comes delinquent after the date named, and if not paid, the city scavenger will proceed to do away with such dogs whose tax is not forthcoming. The tax is payable to the city treasurer.

According to municipal regulation $2 is assessed against all male dogs and $5 against females within the city limits.—Sumpter Miner.

## COFFEE TAKES A JUMP OF FIFTY CENTS.

### Chicago Wheat Featureless With May at 89⅜ and July 82⅜—Cables Are Dull—Market Has No Decided Tendency.

Portland, Jan. 29.—Again is the coffee market showing an advance. The prices in New York on the raw stock are showing an improvement almost every day. Receipts are small and the prospects now are that the quotations will again take the upward route.

Today the manufacturers of Arbuckle and Cordovia brands of package coffees announce an advance of 50 cents a hundred in the former quotations, making the new lists $15.75. No change was made in Lion today but as usual this brand is expected to follow the lead of Arbuckle. Package coffees today are quoted at $15.25 and $15.75.

ONE WAY OUT.

A Resident of Pendleton Shows the Way.

Only one way to cure a bad back.
Liniments and plasters may relieve it.
They won't cure it.
Backache means sick kidneys.
Doan's Kidney Pills cure all kidney ills.
Pendleton people prove this.
Read a case of it:

Mrs. J. Brynk, who lives on Star street, says: "Doan's Kidney Pills are a grand medicine, as I know from experience, and I have no hesitation in saying that any sufferer from backache or other kidney troubles who will give them a fair trial, will be more than well satisfied with the results. I suffered for three or four years with sharp pains in my back which became acute when I attempted to bend over, or to lift anything. Besides, I had rheumatism or lumbago in my left arm so bad that I could not raise it above my shoulder without asistance from my left hand. I saw Doan's Kidney Pills advertised and got a box at the Brock & McComas Co. drug store. When I had used three boxes the backache had vanished and with it the rheumatic pains through my arm."

For sale by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—DOAN'S—and take no other.

### Chicago Wheat.

Chicago, Jan. 29.—The wheat market is ⅛ to ⅝ higher, May closing at 89⅝ and July at 82⅝. It was again nervous on only a moderate volume of trade. Armour is still playing with the May, supporting it on breaks and possibly selling little on rallies. There is local buying of July.

Cables still dull, primary receipts little below last year and clearances very small. The Northwest Miller reports the export demand for flour small. Broomhall cables from Argentina offerings and shipments of wheat about two million for week. Market has no decided tendency as yet.
