NEW ADVENTURE

KANSAS CITY, (AP)—The tall, slim man on an airliner which stopped here briefly said he was making his first trans-continental flight as a passenger.

He was Charles A. Lindbergh.

BUSINESS AS USUAL

BALTIMORE, (AP)—Not a man moved from his chair or took his eyes from his cards more than a flickering moment when an auctioneer at a creditors' sale stepped up to a round table in the Baltimore Athletic club.

"What am I bid for this fine poker table?" he asked the crowd of buyers and kibitzers.

Just to make sure the game would continue, one of the players bought the table. And to make sure the club would continue, two past presidents bought the entire property after bids had been made on individual items.

It's funny how the best place to make money is always some place else.

Vancouver Falls to Yakima Nine

By The Associated Press

Yakima was back snapping at the heels of the Spokane Indians today in the close Western International league baseball race.

The Pippins moved to within half a game of the league leaders last night by defeating Vancouver, 8 to 2, while Spokane was dropping an 8-6 decision to Wenatchee.

Rain prevented playing the second scheduled game at Vancouver, cheating Yakima out of a chance to jump into a first place tie.

AMATEUR FIELD

NEW YORK, June 19 (U.P.) — Twenty-eight sections, the same number as last year, will be used this year to determine the field for the national amateur golf championship, the U. S. Golf association announced Wednesday The tournament will be held August 25-30 at the Omaha Field club, Omaha, Neb.

Records Endangered in National Collegiate Meet

PALO ALTO, Calif., June 19 (AP)—Three world's records are apt to be in considerable danger at the national collegiate track and field championships here Friday and Saturday.

Grover Klemmer, University of California sophomore who has already tied Ben Eastman's 440-yard dash standard of 46.4 seconds, will be pushed by a fast field that includes three of the nation's finest quarter-milers, and coaches have predicted that he might run under 46 seconds.

Les Steers of the University of Oregon has bettered the official world high jump record three times, and will be aiming at a seven-foot ceiling at the two-day NCAA meet. He has cleared 6 feet 11 inches.

In the discus, big Archie Harris of Indiana has been flirting with the 174 foot 2½ inch mark established by Willie Schroder of Germany, and may surpass it at any time. His best has been an inch and a half short of Schroder's heave.

Klemmer faces a strong threat from Hubert Kerns and Cliff Bourland of Southern California and Gene Littler of Nebraska. All are considered possible record-smashers in their own right, and any one might possibly nudge out Klemmer.

Here and There With Joe, Billy

PITTSBURGH, June 19 (AP)—The mother of Billy Conn can take it on the chin with a smile as well as her big laughing boy.

Mrs. Margaret Conn, only 41 but stricken with a usually fatal malady, showed her pluck last night when a sister, Mrs. Rose Shook, came upstairs to her bedroom to tell her of Conn's knockout by Joe Louis in the unlucky 13th round in New York.

"That's all right, Rose," whispered the mother. "I know. I'm proud of Billy."

She had been too ill to have a radio in her darkened bedroom where a nurse sat by her side. But she might have received an inkling of the fight from the two radios downstairs where the women folk of the family gathered and tensely listened to the broadcast.

Mary Jane Conn, 20-year old "boss" of the house since her mother has been in bed, collapsed in her chair as the referee was counting out her brother. Then she sobbed, as did some of the other cousins and aunts present, but not 11-year old red-haired Peggy Ann Conn who piped:

"If he only could have gotten up. But he'll get another match and he'll beat that Joe Louis then. I'll bet you."

BUFFALO, N. Y., June 19 (AP) Revived from a heart attack by a fire department squad which worked two hours and exhausted four tanks of oxygen, Mrs Delia M. Griffin, 58, asked:

"Who won the fight — Louis or Conn?"

BROOKVILLE, Pa., June 19 (AP) — Walter Evans, Jefferson county register, reported a marriage license was issued today to Billy Conn and Mary Louise Smith, Pittsburgh model, and turned over to Thomas Stauffer, Brookville attorney whom Evans described as a friend of Conn.

Stauffer's office said Stauffer "left town" at noon without saying where he was going.

The register's office earlier had reported the license had been mailed to Dr. J. J. Mengas, Brockway, Pa., physician and friend of the fighter.

PHILADELPHIA, June 19 (AP) Three elderly Pennsylvanians listened with so much excitement to radio accounts of the Billy Conn-Joe Louis fight that it cost them their lives.

Heart attacks killed T. Frank Lynn, 76, Allentown tax collector, and Andrew Burke, 68, Philadelphia. Elmer B. Erishman, Lancaster, died of a cerebral hemorrhage on the eve of his 76th birthday.

Before Burke died at a hospital, he declared:

"It was a great fight."

Crews Try Course At Poughkeepsie

POUGHKEEPSIE, N. Y., June 19 (AP)—Things are picking up in the crew camps along the Hudson. Day by day the eight varsity crews which, with M. I. T., will race four miles next Wednesday are taking time trials, and each new time trial brings the cry of "Watch Cornell," "Watch California," or whoever it happens to be.

Yesterday afternoon it was California's turn, and the Golden Bears rowed down the four-mile course in what Coach Ky Ebright said was "less than 20 minutes" but most volunteer stopwatch holders called closer to 19.

Popular Pup Makes Triple; Man Helps

CHARLOTTE, N. C., June 19 (AP)—A stray dog wandered into a baseball box score here.

Bob Ortiz, right fielder of the Charlotte Piedmont league team, clouted the ball to deep right field and tore out for first.

As he neared the bag, a spotted terrier, long of ear and tail, dashed from the stands. He caught Ortiz at first and stuck with him all the way to third, where Ortiz beat him and the ball by a slide. Then the terrier, grabbed Ortiz's cap and made merry around the infield.

In the Charlotte lineup The News carried the footnote:

"Y—stray dog."

In the summary:

"Y—ran with Ortiz in the ninth."

Baseball's Zeke Bonura Called to Army

NEW ORLEANS, June 19 (AP) Big Zeke Bonura's winding baseball road turned into an army camp today, and Zeke took the latest curve with mingled emotions.

Bonura

The friendly cabbage farmer, dumped from majors this year after seven slugging seasons, expressed disappointment at being called when he had just about batted his way back into the big show; but said he was determined to "give the army all I've got, just as I did in baseball."

"The New York Yankees would have taken men in another week," claimed the hard-hitting first baseman, designated as leader of 36 selectees for induction at Camp Livingston, La. Playing with Minneapolis he was leading the American association in hitting with .382 and in runs batted in when Uncle Sam beckoned.

Fishing Poor in Modoc County

ALTURAS — Fishing conditions in the streams and creeks in the county has been poor since the opening of the season. Unusual rains have caused high and muddy waters.

Reservoir and lake fishing in the mountains have been fair. If present weather conditions continue for another week limits should be taken in all the streams and creeks in the county.

Swim Pool Card Slated For Armory

The wrestling and boxing commission has set aside next Tuesday's armory matches to help contribute to the Klamath municipal swimming pool fund. Rain or shine, full house or empty one, Mack Lillard, wrestling promoter, will lay 100 greenbacks in the laps of the swimming pool fund collectors after the night's performance.

Thirty per cent of the ticket sales from Matt Finnigan's, Klamath Billiards, Stewart and Smith Shoe store, Sunset grocery, and Dick Reeder's, will also be placed in the fund.

Next week will also see a mixed card with two grappling bouts and two mitt clashes.

PORTLAND MAY ENTER PRO TEAM NEXT FALL

PORTLAND, June 19 (AP) — Bobby Rowe, Portland promoter, said today Portland might enter a professional team in the Northwest Football league next fall.

Plans are tentative, he said, but a meeting with Jimmy Mandas, West Seattle Athletic club business manager, is planned to discuss the outlook.

THIS WEEK'S HINT FROM THE SEAGRAM HOUSE DETECTIVE
Here's how
TO SOUNDPROOF A DOOR
Another Service of the House of Seagram
SOME of the sound heard through a door passes through the spaces around its edges. These can be blocked with metal weatherstrips (or with the felt tape sold for weather stripping).
And for more thorough soundproofing a door can have one or both sides entirely covered with sheets of insulating board. This is done most easily when the door is taken off its hinges and laid flat. The insulating boards should be attached to the door with an adhesive rather than nails or screws. A liberal coating of strong casein glue can be used, the boards being pressed tightly to the door with weights or clamps until the adhesive has hardened. Holes are cut through the boards for the knobs and key. Exposed edges of the boards can be kept from fraying by beveling and painting.
