AMONG THE EXCHANGES OF THE INLAND EMPIRE

German Student on Trip.

Mr. Lehrunkrauss, a German student from one of the large German universities, because of his good scholarship, was given a trip through the United States, all expenses paid. Prof. Withycombe invited him to talk to his class in veterinary science Thursday morning, on "Conditions as they exist in Germany." He gave a very interesting talk, although it was little difficult to express himself in English. He spoke of the manner of farming as practiced by the lower classes and of the problems they have to face. He also spoke of the effect of the enforced service of two years in the army. He said it was not demoralizing but tended to keep men from the farm and bring them to the city after they had learned city ways while in the army.—Corvallis Gazette.

Franklin County Wheat Crop.

From a very reliable source it is learned that the acreage in wheat in Franklin county this year is about 100,000 acres. These figures have been arrived at by a careful estimate of the acreage in each township, and tributary to each warehouse and shipping point in Franklin county, says the Connell Statesman.

When it is considered that Franklin county contains, in round numbers, 36 townships, or over one million acres of land, 85,000 acres does not seem so much. It is confidently believed that another year will see 100,000 acres of wheat seeded in the county, as there has been a great deal of sod turned under this spring in addition to land already in cultivation.

Snow Seven Feet Deep in Thunder.

C. C. Randall, of Hot Lake, located on the south fork of the Salmon river on the route of the new Thunder Mountain road, was in the city yesterday getting supplies for his hotel and general store which he conducts there. Mr. Randall left home Monday, May 9, and came out by easy stages, stopping at a number of places on the way. When he left home he said the snow was still seven feet deep on Big Creek summit and he would not advise anyone to try to cross the summit yet. However, he said the snow was all off in Scott valley and along the south fork of the Salmon.—Boise Capital News.

WATTERSON UNRELENTING.

Editor of Courier-Journal Scorches William Randolph Hearst.

Louisville, May 19.—In a scathing editorial in the Courier-Journal Henry Watterson denounces the methods and men employed by W. R. Hearst to obtain the votes of the Kentucky delegates to the St. Louis convention. Watterson declares his belief that Hearst is insane. He says:

"Of Hearst himself the Courier-Journal desires to speak, and has from the first spoken in terms of personal kindness.

"There are some reasons why we prefer to hold him in friendly regard; none why we should not. That he is an insane man ought by this time to be clear to all who have watched the course of his truly insane campaign.

"Two million dollars is a good sum even to the Hearst estate, though any one with an occasional gleam of sanity ought to know that under the conditions which face Hearst $200,000,000 would not suffice.

"And so it is that we unhesitatingly declare it our fixed belief that the explanation of a spectacle so astounding, so revolting, may be found in the circumstance that Hearst is mentally unbalanced and not wholly responsible for what would otherwise be the most gigantic fake—not even excepting the affaire Humbert—of modern times in this or in any other country."

A Cure for Piles.

"I had a bad case of piles," says G. F. Carter, of Atlanta, Ga., "and consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve. I purchased a box and was entirely cured. It is splendid for piles, giving relief instantly, and I heartily recommend it to all sufferers." DeWitt's Witch Hazel Salve is unequaled for its healing qualities. Eczema and other skin diseases, also sores, cuts, burns and wounds of every kind are quickly cured by it. Sold by Tallman & Co.

BANKERS' CONVENTION.

Californians in Session at Los Angeles, California.

Los Angeles, Cal., May 19.—There was little room to spare in the large assembly hall of the Hotel Angelus when at 10 o'clock this morning, the eleventh annual convention of the California State Bankers' Association was called to order by the president, J. K. Lynch of San Francisco. Those in attendance numbered several hundred and included the foremost bankers and financiers of the state.

The opening feature of the program was an address of cordial welcome by Mayor Snyder, to which response was made in behalf of the association by Joseph D. Radford of San Jose. The president's annual address and the reports of the other officers, followed by the appointment of the usual committees, occupied the remainder of the morning. The afternoon program provides for addresses by J. A. Graves of Los Angeles, A. Kairns of San Francisco, and Herman Silver, chairman of the board of bank commissioners.

Little Early Risers cure biliousness, constipation, sick headache, jaundice, malaria and liver troubles. Sold by Tallman & Co.

New Bishop of Albany.

Albany, N. Y., May 19.—The consecration of the Rev. Richard H. Nelson of Philadelphia as bishop coadjutor of the Episcopal diocese of Albany, took place in this city today and was the most brilliant ceremony of the kind that has ever taken place in Albany. It began in All Saints' cathedral at 10:30 o'clock this morning and consumed several hours. The vast auditorium was crowded to the doors and hundreds would have liked to secure tickets of admission, but were refused.
