# AMONG THE EXCHANGES OF THE INLAND EMPIRE

**Spuds in City Limits.**

...ohns of this city, is the ...er of 24 acres of tillable soil ...hin the corporate limits of Baker ...y, 10 of which are in one tract. ...season nine of that 20 are in po... ...es, and yesterday he received a ...er from T. J. Landreth, the lessee, ...ing that the crop was about ready ...harvest and that from present in... ...tions Mr. Johns' share would run ...ween 500 and 600 sacks. This is ...cently satisfactory to the Sumpter ...rchant, who is particularly pleas... ...at the prospect and was yesterday ...ting on the financial showing ...de. With 500 sacks as the result ...the season's work, he would have ...etically 55,000 pounds of potatoes, ...ich at the present market quota... ...s would bring him in excess of .... From nine acres this will give ...a rental of over $60 per acre, ...h is quite a healthy showing. Mr. ...ns only a short time ago offered ...land for sale at $100 per acre. ...h the present indicated returns ...has revised his price to such an ...nt as to make him conclude that ...will wait for the time in which ...property will be on the market ...town lots.—Baker City Herald.

**Will Plant Novel Orchard.**

**$25,000 to Carry Idaho.**

...ie R. Gwinn, accompanied by ...ife, left for the East, ostensibly to visit the headquarters of his insurance company and to take in the World's fair at St. Louis. It is probable he will do both, but in reality he went East at this time as sort of a minister plenipotentiary from the Idaho republican state central committee to the national headquarters to secure funds for carrying on the campaign in Idaho. The committee has abundance of money for actual expenses, but there are so many political strikers in the state that Chairman Brady finds the funds at his disposal inadequate to meet all the demands made upon him. For this reason Mr. Gwinn was commissioned to go East and shake the plum tree and it can be put down as a foregone conclusion that when he returns in the course of three weeks Chairman Jackson will think there is a pneumatic tube in operation between Wall street and the Idaho republican headquarters. It is not known how much Mr. Gwinn has been commissioned to collect, but it is given out that when he returns there will not be less than $25,000 extra at the disposal of Chairman Brady to be distributed among the political strikers.—Boise Capital News.

**Idaho Car Famine.**

The car famine caused C. J. Sinsel today to hang up a sign at his packing house, which read: "No more fruit received, and no help wanted, until further orders." Tons of prunes are piled up in the house, and the 20-foot platform holds cords of boxes filled with prunes. The quality is the very best, but not a pound can be shipped on account of there being no refrigerator cars available. Unless cars are furnished soon, the loss to Mr. Sinsel and to the growers will be heavy.—Boise Capital News.

**New Irrigated District.**

The Columbia Southern Ditch Co. has been steadily extending their main canal toward Cline Falls all summer and now their camp has been moved to within one and one-half miles of us. This means that the lands handled by the company will soon have water and can all be put in crops next season. Most of their land has been sold off in 40 and 80 acre tracts and many of the purchasers will move here this fall and build homes.—Cline Falls Press.
