Hugh Mulzac, left, above, Negro commander of a merchant ship, and Ferdinand Smith, secretary of the National Maritime Union, are pictured at a banquet in New York where government officials, labor leaders and representatives of business interests gave Smith a sendoff on his national tour, sponsored by the Political Action Committee, in support of the Roosevelt-Truman ticket. The New York World-Telegram recently asserted that Smith is an alien Communist.

Hay Foot

The ancient marching theme of Army rookies, "Hay-Foot, Straw-Foot," has new meaning for Pvt Patrick J. McDonald, of Grand Rapids, Mich., ever since he acquired the straw boots he wears in the photo above. The old footgear was part of equipment left behind by fleeing Germans somewhere in France.

MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys.

The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

4500 Meals A Day

Great Northern dining car stewards, chefs and waiters know that train travel is setting records. They are providing nearly 4,500 meals daily for patrons of the Empire Builder and other trains on the railway.

That's many, many times a peacetime day's meal service; but, we're doing it with the same number of dining cars we operated before the war, and with fewer experienced men.

Our chefs still manage to produce traditional specialities. One of them is chicken pie, prime favorite of GIs and civilian travelers. The war has changed neither the quality of Great Northern chicken pie, nor the dependability of the railway's service.
