Baby's Voice

Every woman's heart responds to the charm and sweetness of a baby's voice, because nature intended her for motherhood. But even the loving nature of a mother shrinks from the ordeal because such a time is regarded as a period of suffering and danger. Women who use Mother's Friend are saved much discomfort and suffering, and their systems, being thoroughly prepared by this great remedy, are in a healthy condition to meet the time with the least possible suffering and danger. Mother's Friend is recommended only for the relief and comfort of expectant mothers; it is in no sense a remedy for various ills, but its many years of success, and the thousands of endorsements received from women who have used it are a guarantee of the benefit to be derived from its use. This remedy does not accomplish wonders but simply assists nature to perfect its work. Mother's Friend allays nausea, prevents caking of the breasts, and in every way contributes to strong, healthy motherhood. Mother's Friend is sold at drug stores. CATTLE TAKE BIG SLUMP AT PORTLAND

DROP OF AT LEAST 50 CENTS CONSIDERED GENERAL

Large Per Cent of the Huge Arrivals of Sunday Were Carried Over—Hog Market Remains Firm—Alfalfa Hay Offered Soon.

(From Wednesday's Journal.)

In the Stockyards.

Hogs—Nominal; lot sells at $.75 for tops.

Cattle — Market about 50c lower; grass tops at $6.65.

Sheep—Best lambs firm; sheep generally lower.

Those that had cattle to sell on today's market at North Portland were completely at the mercy of buyers and quite sharply were prices lowered in consequence.

There was no run of cattle today but a large per cent of the huge arrivals over Sunday were carried over and sold at a smart reduction in previous values.

Grass cattle are top around $5.75 or within a fraction of that while good fed stuff is down to $5.85 and $5.90 or about 50c lower than previous sales.

The slump in cattle here is remarkable inasmuch as it did not occur when the great arrivals were first presented. This was not due to any lack of bearishness on the part of buyers but to the dogged tendency of receivers who wanted to protect their country patrons against such a vicious slaughter of prices.

Portland Is Now Lowest.

While up to this time the Portland market has been perhaps one of the best in the entire country and on this account cattle were taken away from competing markets whenever wanted, today's slump here places the balance of trade elsewhere. Cattle were quoted weak at South Omaha today with steer prices ranging between $5.75 and $6.10 and cows from $4.75 to $5.75. The price being offered for top cows at Omaha is therefore within a few fractions of the best price obtainable for steers at North Portland.

The cattle market here is passing into the new season with quick strides, and it is unlikely that there will be any material offering of fed stuff here after the present week. Grass stuff will now come forward in liberal lots and the market will be placed entirely upon the basis—in fact, it is practically so at the moment, as the difference in the price of grass and fed stuff is very small. The margin is expected to narrow.

General range of cattle:

Best steers	$6.00
Fancy grain steers	5.90
Ordinary grain steers	5.85
Ordinary steers	**5.75**
Best grass steers	5.75@5.85
Best cows	5.25
Medium cows	5.25@5.50
Ordinary cows	5.00
Poor to fair cows	$3@4.00
Best bulls	$5.00@5.25
Fancy bulls	4.75
Ordinary bulls	4.00@4.25

CALVES.

Best light	7.00
Ordinary	6.85
Poor	$3.00@4.00

Hog Market Is Firm.

Only a handful of swine came into the Portland yards today and therefore regular prices were not fully tested. The outlook seems quite hopeful, although there was a further weakening of values at South Omaha today. Prices there dropped 5c to 10c which puts tops at $6.95 or $7.05 to land here. This is still 15c above the best price that has been offered here recently.

With local packers getting all their requirements of hogs from Nebraska and with only a limited amount of local swine available for the trade recently it would be difficult at this time to state exactly what the market at North Portland would do if a dozen loads of local swine came forward.

Nominal swine values at North Portland:

Best blockers	$6.85
Medium light	6.75
Heavy packers	6.60
Rough packers	$5@6.60

Sheep Market Is Easier.

An easier feeling prevails throughout the sheep and lamb trade here, although extra select quality is still desired at former prices in the lamb market.

There was quite a fair run of sheep and lambs in the North Portland yards today, totals being 711 head, compared with 846 a week ago.

At South Omaha there was only a limited supply of sheep and lambs in sight today. Sheep were steady with lambs lower at $6.75@7.75, ewes $4.25@4.50, wethers $4.40@5 and yearlings $4.75@5.35.

New Alfalfa Hay Soon.

New crop alfalfa hay will be offered to the trade within the next 10 days. Cutting of the new crop has started at various points in the interior, although operations have not yet become general. The season for cutting the first crop has started at various points in the interior, although operations have not yet become general. The season for cutting the first crop is several weeks later than normal, owing to the deferred warm weather.

With the new crop in sight, the hay market has taken on a tone of easiness, although as yet no weakness is showing. Reliable reports from various districts in Oregon, Washington and Idaho state that this year's crop is likely to be the heaviest in history.

For that reason buyers are now buying sparingly and in a hand to mouth manner.

Wheat market is firm with practically no offerings now being put forward by growers. Quotations are nominally the same.

Coarse grains are firm but show no change in prices.

Illinois Man Makes Wife and Adopted Son Disgorge $12,000.

Muskogee, Okla.—After trailing his wife and his adopted son, Harold Morgan, from Streator, Ill., to Muskogee and then to Tahlequah, E. W. Collins, a wealthy farmer, living near Streator, at the point of a gun took $12,000 from the runaways and left for his home.

Rollins says his wife asked him for a blank check a week ago, telling him she wanted to do some shopping in Chicago. She filled the check out for $13,500 and drew the money.

Rollins says Morgan was a waif on the streets of Chicago twenty years ago when he took him to his home and reared him as his son. Rollins is an old man and his wife is twenty years his junior.

Deafness Cannot Be Cured

by local appliances, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever: nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
