Market Quotations

NEW YORK, Dec. 17 (AP)—The stock market today suffered one of its worst setbacks of the last several months on expanded volume with leaders backsliding 1 to 7 points at the forst.

Prices hit their flows in the forenoon as more than a million shares went over the ticker tape. Mild recoveries then began to appear and the pace slowed appreciably. Steels, motors, rails, aircrafts and specialties bore the brunt of the downturn. Extreme declines were reduced in most cases near the close. Transfers ran to around 2,000,000 shares.

WHEAT

CHICAGO, Dec. 17 (AP)—Grain futures prices generally were soft touches today for whatever influences were doing business at the moment.

Rye prices were quickest to respond to dealings, both in selling and buying. On early scattered liquidation, prices dipped more than 2 cents a bushel, then rallied on scattered buying to score gains of around a cent at times over Saturday's close.

Other grains moved in narrow ranges in the quiet session.

A report Saturday that the proposed government ceiling of $1.42 a bushel, basis Chicago, for No. 2 grade rye could apply to crops of any year induced the early selling of the grain. The ceilings, if imposed, are scheduled to become effective June 1.
