Go to Walla Walla

A number of realty men of Pendleton left this morning for Walla Walla where they are attending the convention in progress there. They are putting forth the claims of the Round-Up to consideration while there. Among those who made the trip are J. H. Estes, J. C. Snow, F. W. Dayton, G. W. Coutts, George W. Elder, A. W. Lundell, Harry Bickers, E. T. Wade and E. A. Schiffler.

Clark Addresses Weston Grads

Rev. G. L. Clark made the address last night to the graduating class of the Weston high school in exercises that were held in Memorial Hall. The special musical numbers provided for the occasion were given by Miss Mina Price, Miss Anna Peyton Compton and Miss Ruth Shangle as accompanist. The invocation was given by Rev. Mark A. Phinney. The diplomas to the graduates were presented by J. M. Banister, chairman of the board. The subject of Rev. Clark's address is "The Trade-mark of a Builder."

They're Electrically Hatched

Grandmother's way of hatching chickens to provide the famous fries that are so popular about harvest time is a good deal different from the way they're being hatched in 1921 in Pendleton. Today baby chicks are chipping shells in an incubator in the window of the Umatilla Flour and Grain Co., and these chicks have been warmed into life by electric heat. Electrical heat for this purpose is not in very wide use, and the use of the machine in Pendleton is something of a novelty. The chicks will be removed either this evening or tomorrow morning and placed in the brooder which is also heated by electricity.

Hottest Day of Season

Today is the hottest day of the season, the mercury having reached the 78 mark. The minimum was 40, says Major Lee Moorhouse and the barometer registers 29.62.

Tennis Club to Meet.

A meeting of the Pendleton Tennis Club has been called for 8 o'clock Monday evening at the Commercial Association rooms. Alger Fee, president of the club, says business will be up that will make desirable a full attendance of the club.

Saddle Is Made.

A beautiful saddle of black leather, carved in a wild rose design has just been completed by Hamley & Co. for Pauline Frederick, famous moving picture star. The saddle sells at $107. The shop is at work on a man's saddle ordered by Miss Frederick for her uncle.

To Attend Bank Opening.

G. M. Rice, George Hartman, Edwin Winter and J. T. Lamberth will drive to Walla Walla tomorrow afternoon to attend the formal opening of the new building for the First National Bank of that city. The bank at Walla Walla is to have open house from 1 o'clock until 8 in honor of the new building.

Indians Return.

Jim Kanine and Cap Sampkin, delegates from the Cayuse and Walla Walla tribes who recently visited Washington, D. C., and their interpreter, Albert Minthorn, returned last night. They conferred with the Indian commission regarding allotments to half breeds. Jim says Washington is a great place but he is glad to be home again.

What Was That Score

An alleged baseball game was played last night at Round-Up park when the seasoned Christians met the Presbyterians. The results are not known definitely, figures on the score ranging from 26 to 25 for the Christians while the Presbyterians got a big goose-egg. The game played by the Presbyterians at Pilot Rock the night before proved their undoing. Lieuallen was unable to pitch effectively, and other players showed results of strain suffered in the six-inning contest Wednesday evening. Lieuallen and Hayes were slammed pretty well over the lot by the winners and Crawford was able to hold the Presbyterians.

DIETZ IS PARDONED BY WISCONSIN GOVERNOR

MADISON, Wis., May 13.—(U. P.)—John W. Dietz, "defender of Cameron Dam," who is serving a 20 year sentence for murder, was pardoned by Governor Blaine. Dietz left the Waupun prison accompanied by his wife and daughter. He had served ten years for the murder of Deputy Sheriff Oscar Hart. In announcing his pardon Governor Blaine expressed his doubt of Dietz' guilt. The pardon closes one of the most dramatic incidents in the history of Wisconsin's criminal courts. For six years prior to his conviction Dietz held off process servers and conducted a single handed fight against the powerful lumber interests. He stood off a small army of deputies while barricaded in a barn at his farm and surrendered after several hours' battle because he feared for his family's safety.
