$150 TO $250 per week. I want two neat appearing women and two neat appearing men with cars to represent an old national concern. One of the largest of its kind in the country with offices established throughout the state. If you are willing to work hard for $150 and up per week and you are able to work in Klamath Falls area Monday thru Friday don't pass up this ad. If you are a man or woman of average intelligence I want to talk to you. I know what you are probably thinking as you read this ad. The same as I thought myself many times when I was out job hunting, that this is just another ad with a lot of promises. Believe me, it is not. It is 18 months since I joined this firm and I regret to this day it wasn't 20 years ago. I have made more money in the past six months with this firm than I earned with other firms in the previous two years. I don't care what your previous experience has been, whether it was selling magazines, books, vacuum cleaners, appliances, pictures, coupons or any other type of work. If you are able to open your mouth and talk to me, I will show you how easy it is to earn up to $250 a week commission with the Company. Experience is not necessary. We give you a complete training if accepted. You will be employed by one of the largest concerns of its kind in the country. You will be backed by millions of dollars in advance advertising. This advertising will keep you busy constantly calling on prospects in your territory with qualified leads sent in by people demanding that our representative call them. This is a job with security for the rest of your life. Get in on the ground floor. You owe it to yourself to answer this ad. You have nothing to lose and let us prove it to you that there is everything to gain. Come and get what you have been waiting for. If you cannot come in today, come in tomorrow. Write or see Mr. Wade, District Mgr. 209 Leverette Bldg., Medford, Oregon.
