

# Family fishing event slated at St. Louis Ponds April 15

The Oregon Department of Fish and Wildlife will host a free family fishing event April 15 at St. Louis Ponds near Woodburn from 9:30 a.m. to 2 p.m.

The ponds will be stocked with legal and larger-sized rainbow trout shortly before the event. ODFW will provide equipment including rods, reels, and bait for use during the event on a first-come-first-serve basis.

Angling education instructors and volunteers will be present to answer questions and offer assistance to less experienced anglers.

St. Louis Ponds is a 54-acre complex of seven ponds jointly owned and managed by ODFW and Marion County Parks. In addition to stocked trout, the ponds contain several species of warm water fish, including largemouth bass, catfish, bluegill, crappie, and sunfish.

Anglers ages 11 and under can fish for free while those

12 to 17 will require a youth license, which are available for \$10 at ODFW's website [www.odfw.com](http://www.odfw.com). Adult anglers will need a regular fishing license.

Licenses will not be sold on site the day of the event so people planning to participate should get their license ahead of time.

To get to St. Louis Ponds from I-5, take the Woodburn exit. Then go east to Hwy.

99E. At Hwy. 99E, head south to Gervais Road. Go west on Gervais Road through the town of Gervais. The road eventually changes to St. Louis Road. Continue west on St. Louis Road as it crosses over I-5 to Tesch Road at the railroad crossing. Go left on Tesch Road and follow the signs to the ponds.
