Chicago Grain Market.

Chicago, Aug. 15. — Wheat showed considerable firmness in price today, owing in some degree to a current estimate that the United States exportable surplus would not exceed 175,000,000 bushels. Announcement that India's crop would be more than 125,000,000 bushels short of last year's total was also a bullish factor. On the other hand advances in price here brought about increased offerings. Initial quotations, which varied from quarter to three-fourths higher, with September $1.24¾ to $1.25 and December 1.26½ to $1.25¾, were followed by slight further gains and then something of a reaction.

New York Stocks.

New York, Aug. 15.—Selling of selected industrials was renewed in the early stages of today's stock market session. New low records for the current movement were made by United States Rubber, common and first preferred, Central Leather and Continental Can, those shares showing extreme declines of one to four points. Mexican Petroleum, Retail Stores, Bethleham Steel, General Electric, Studebaker, Anaconda and Goodrich also were lower by substantial fractions to one point. Among rails, especially the investment group, as represented by Great Northern and Union Pacific, a firmer trend was noted.

The market lost ground almost steadily during the morning on varying moderate operations. Rubber, leather, oil and motor shares extended their losses. Chandler, International Paper and Virginia Iron, coal and coke were among the stocks which made new low records at decline of 2 to 3 points. American Sugar, American Tobacco, Sumatra Tobacco, Mercantile Marine preferred, American International, Harvester, Sears Roebuck and Famous Players forfeited 1 to 2 points. Rails lapsed into extreme dullness, several leaders of that group remaining unquoted. Call money opened at 6 per cent.

Shorts transferred their attention to obscure specialties at midday. Loses of one to nearly two points were sustained by Corn Products, California Packing, Allied Chemical, Bosch Magneto, Western Union and American Writing Paper preferred. New York Airbrake, Pressed Steel Car and Royal Dutch also reacted.
