The road right-of-way lies in portions of Sections, 7, 8, 9, 17, and 18, T. 29 S., R. 11 E., W.M.; Sections 12, 13, 14, 23, 26, 34, and 35, T. 28 S., R. 10 E., W.M.; Sections 3, 4, 5, 6, 7 18 19, 30, and 31, T. 30 S., R. 10 E., W.M.; Section 6, T. 31 S., R. 10 E., W.M.; and Sections 1, 9, 10, 11, 12, 14, and 15, T. 31 S., R. 9 E., W.M., Oregon. Separate approved contracts must be made for timber to be cut from these allotments and on the tribally-owned land for which the authority to sell the timber has been obtained from the owners. The sale area contains an estimated stand to be cut, which estimate is not guaranteed, of approximately 1,340,000 feet B.M. of cut-over and virgin ponderosa pine, and 50,000 feet B.M. of lodgepole pine. Each bidder must state the price per thousand feet B.M. Scribner Decimal C. Log scale that will be paid for timber to be cut and scaled from the unit as a whole. No bid will be considered for less than $36.10 per thousand feet B.M. for ponderosa pine, and $5.00 per thousand feet B.M. for lodgepole pine. A certified check in the amount of 20 percent of the total bid price on a solvent bank, payable to the Bureau of Indian Affairs must accompany each bid. The deposits will be returned to the unsuccessful bidders. The deposit of the successful bidder will be held in lieu of bond in proportion to the value of timber on each allotment and the tribal land pending satisfactory completion of the terms of each of the contracts, or retained as liquidated damages if the bidder shall not execute all contracts within 30 days from acceptance of his bid. The right to waive technical defects and to reject any and all bids is reserved. The contracts will specify that all designated timber shall be cut and removed from the most northern 10 miles of the unit on or before May 20, 1956, and that the remaining timber be cut and removed and all other requirements of the contracts be completed by June 20, 1956. The cutting and removal of the timber will begin on the most northern portion of the right-of-way and progress southerly in an orderly manner. The piling and disposal of the slash will not be the responsibility of the logging contractor. An additional deposit, in the amount of 20 per cent of the estimated value at the bid price, will be required on each individual contract before cutting begins and in any case not later than thirty days from the date of approval of the respective individual contracts. The contractor will be required to deck logs in advance of scaling or to conduct logging operations in such other manner that will permit the scaling of timber in as few scaling assignments as possible. Before bids are submitted, full information concerning the timber, the conditions of sale, and the submission of bids, should be obtained from the Superintendent, Klamath Indian Agency, Klamath Agency, Oregon, or the Area Director, Bureau of Indian Affairs, Interior Building, 1001 N.E. Lloyd Blvd., Portland, 8, Oregon. Dated this 21st day of March, 1956, at Portland, Oregon.
