New York Stocks.

New York, Aug. 26.—Market leaders rose 1 to nearly 5 points in the early dealings on the stock exchange today, causing a hasty retreat of the shorts. Crucible Steel was the most conspicuous feature, jumping three points on a single sale and soon extending its rise to 4¾ points. Oils also were strong, Mexican Petroleum, General Asphalt, Houston and Pierce gaining 1½ to 2¼ points. Atlantic Gulf, American International Studebaker, General Electric, Baldwin, Kelly Springfield, Cuba Cane Sugar preferred and Sumatra Tobacco gained 1 to 2 points. Northern Pacific featured the rails at an advance of two points. Various other steels, motors, equipments and specialties trailed along at more moderate gains.

There were almost no exceptions to the further rise of the first hour. Shorts continued to cover in the oils, motors, equipments, sugars, tobaccoes, steels and shippings, those issues gaining one to three points. Sears Roebuck, North American, National Enameling and Famous Players made corresponding gains. Among the rails, Great Northern, St. Paul common and preferred, Missouri Pacific common and preferred, Rock Island, Atchison, Southern Pacific, Reading and Baltimore & Ohio gained 1 to 1½. Selling for profits and recurrent weakness among specialties, notably United States Rubber, gave the market a moderate setback before noon. Call money opened and renewed into next week at 5 per cnt.

A reaction of ½ to ¾ cent followed. Professionals bought on this break and at the end of the first hour prices were quarter to half above the opening.

Donations For Paving Of Road Being Sought

A petition asking for donations to partly pay for the construction of a 16-foot pavement on the Portland highway for four blocks between the Fairgrounds store and the Valley Packing company plant was placed in circulation in the city yesterday by Joseph Baumgartner and others interested in the paving of the short stretch of road at the north entrance to the city.

It is estimated that the proposed piece of construction would cost in the neighborhood of $4200, which, property owners claim, is worth more than the value of the property in some instances. It is thought that if about $2000 is subscribed in the city property owners will be willing to stand the remainder of the costs.

Oone donation of $200 has been made and another promised, according to Mr. Baumgartner, who thinks that all automobile and accessory dealers of the city should be willing to subscribe to the proposition.
