LEADERS MEET HARD GOING IN PENNANT RACE

New York, Sept. 14.—(A .P.)—Stubborn resistance to leaders in the pennant races marked the start of the last three weeks of the major league season.

The Senators and the Athletics wrestled through an 11-inning game at the capital with the score six to six when darkness intervened. Goose Goslin was suspended and fined $100 by Bucky Harris for errors.

Pitching weakness caused the downfall of the Pirate in both sections of a doubleheader with the Cardinals, 8 to 4 and 6 to 2, the last game being called in the fifth to permit Pittsburgh to catch a train home.

The Giants meanwhile were beating the New Haven Eastern league club 5 to 2 in an exhibition game and Pittsburgh's lead was cut to six games.

"Dazzy" Vance of Brooklyn pitched a no-hit game in the opener of a double-header with the Phillies. He shut out the same club last Tuesday with one hit in the second inning, so that he has allowed no hits in the last sixteen innings. It was the first no-hit game of his major league career, which dates back intermittently to 1914 and the only no-hit game in the big leagues this season.

The Robins won the first game, 10 to 1, the lone tally of Vance coming on two errors and a sacrifice fly and the Phillies took to the second 7 to 3, Hawks and Leach made home runs.

Pop bottles were showered on Harper of the Phillies in the second game when he nearly came to blows with Hargreaves after a collision at first base.

The Reds tightened their grip on third place by trimming the Cubs 5 to 2.

The Yankees lost to the Red Sox, 2 to 1. Babe Ruth snapped his streak of consecutive hitting games, stopping at nine.

The White Sox topped the Browns, 4 to 3, while the Tigers were humbled by the Indians, 8 to 6, in 10 innings.

COAST LEAGUE HITTERS SLUMP

San Francisco, Cal., Sept. 14.—(A. P.)—"Lefty" O'Doul went into a slump last week and the Pacific Coast league is without a batter who is hitting over the .400 mark. The Salt Lake outfielder dropped 11 points and is now tied with Paul Warner for top place with an average of. 396, unofficial figures show.

Frank Brazill of the Seattle Indians is next with a .390 average and Rohwer of Portland, batting .351, trails Brazill.

"Hack" Miller of the Oaks is setting the pace for his club with .347 and Hod tops the Angeles with .340. An average of .331 gives Shea the honors on the Sacramento team while Griffin with .307 leads the Tigers.

Tony Lazerre, Bee shortstop, is in a class by himself for home runs with a total of 44. Rowher is his closest competition with 33.

Hunnefield of Portland leads in the stolen base department with 38.

London, Eng. — The seamen's unofficial strike is breaking down because of drastic measures adopted by the authorities, said reports from Australia, New Zealand and South Africa.

Year of Jubilee Is Lecture Topic For Visiting Speaker

W. A. Baker, of Brooklyn, New York, one of the students of the International Bible Students' association, lectured on the subject, "The Year of Jubilee," at Derby Hall Sunday afternoon. He based his lecture upon the text Leviticus 25:10, which reads, "And ye shall hallow the fiftieth year, and proclaim liberty throughout the land unto all the inhabitants thereof: and it shall be a jubilee unti you; and ye shall return every man unto his possession, and ye shall return every man unto his family."

The speaker sketched conditions in Canaan when the tribes of Israel came there and divided up the land among themselves. A custom established at that time, he said, was to reckon every credit and debt only to the jubilee year, occurring once every half century, when all must be freed from encumbrances, to make a fresh start for the next 50 years time.

"Thus every fiftieth year, said Mr. Baker, counting from the time of their entrance into Canaan, was to Israel a year of jubilee, a time of rejoicing and restriction, in which families were reunited and lost homsteads were restored. No wonder that it was called a jubilee.

"The arrangement provided by God through their typical leader, Moses, though itself a blessed boon, foreshadowed a still blessing which God had in view, the release of all mankind from the debt of sin and the bondage of its servitude, through Christ, our lord, the greater mediator and deliverer, whom Moses typified.

"If the shadow brought happiness and joy to the typical people, the substance, the real restitution will cause boundless joy and will indeed be a grand jubilee to all the world."

Mr. Baker produced statistics which he declared showed why "Bible students anticipate some events of great importance in connection with God's plan to eventuate about October 1 of this year."

The jubilee system dates from Oct. 1 of this year, 1576 B. C., he said. "From the fall of 1576 B. C. to the beginning of the Christian era are 1575 years. The total period of 70 jubilees is 3500 years, the difference between these is

It was customary to hold the publlee in the fall of the year, he declared. The full end of the 70 jubilees, according to the speaker's reckoning, will be during the coming month of October.

"Our thought," he stated, is that such events will be of especial interest to Jews. The jubilee arrangements were made with them, not with others; and though all will be blessed in the anti-typical fulfillment or the times of restitution, yet it would be singularly appropriate to expect special blessing for the Jews at this time, and with perhaps something of contrary experience to those who have mistreated them.

"We can already see the shadows of the coming events. Already we see Zionism getting under way in dead earnest. The Jews are to have back their native land, and even now they are getting possession of it by actual purchase, returning to its at the rate of upwards of a thousand per month.

"Swamps are being drained, roads are being built, forests are being planted, houses are being erected, and great reclamation and irrigation projects are under way. Already, in a very brief time, $7,500,000 has been expended in these improvements.

"On the 12th of March, 1925, the first ship of the American-Palestine Line, sailed out of New York Harbor under the Hebrew flag; the first time this flag has been raised in twenty centuries. The Jubilee of the Jews is actually here."

JAPANESE TO CLIMB CANADIAN ROCKIES

Tokyo—Under the joint auspices of the Tokyo Nichi Nichi, the Osaka Mainichi and the Japan Mountaineering society, an attempt will be made by a party of Japanese mountrin climbers to ascend the heretofore inaurmountable peaks of the Canadian Rockies. The party, which will be captained by Mr. Maki, one of the leading mountaineers of Japan, will include representatives from the Peers' school and Keio university. Final preparations will be made at Vancouver.

The climbers will start out from Jasper with 30 horses and a number of native guides and a base camp will be established at the foot of Mt. Colombia. The party is expected to be away about three months.
