Athletics, Cards Win In Thrillers

By MILTON RICHMAN
United Press International

Close, but no cigar.

That's how it was for both Ralph Terry of the Athletics and Sad Sam Jones of the Cardinals.

Terry pitched a one - hitter and barely missed a perfect game in beating the Senators, 1-0, Friday night, while Jones came within six outs of a no - hitter and then had to settle for a three - hit, 9-1 victory over the Phillies.

A's 1, Solons 0

The "villain" who spoiled Terry's bid was his pitching rival Russ Kemmerer. Kemmerer connected for a clean single in the third inning and was the only Washington runner to reach base as Terry did not walk a man and faced only 28 batters en route to his eighth win.

Kansas City scored the only run of the game in the third on Bob Cerv's triple and Harry Simpson's double.

Kansas City	001 000 000—	1 5 0
Washington	000 000 000—	0 1 0

Terry (8-10) and Chiti, Kemmerer (6-12) and Courtney.

Cards 9, Phils 1

Jones, the free - wheeling, toothpick - chewing fireballer, tied the major league record of 14 strikeouts in a night game as he held the Phils hitless until Rip Repulski led off the eighth inning with his 11th home run.

Jones was bidding for the second no-hitter of his major league career, having pitched his first against the Pirates, May 12, 1955, while still a member of the Cubs.

Gene Green hit a three - run homer for the Cards and Gene Freese belted on with the bases empty to help Jones record his 11th triumph. Stan Musial had doubles to set a National League record for 2,167 total bases.

MacCarthy Wages Fitness Battle

NEW YORK (UPI)—Dr. Shane MacCarthy, probably the world's foremost advocate of sports, says, "Shoot for the moon but keep your feet on the ground — and in motion."

Shane, executive director of the President's Council on Youth Fitness, announced Saturday that the jet-age battle to prevent the United States from becoming a nation of "softies" will be intensified at a very important meeting, Sept. 7-9.

At that meeting in Fort Ritchie, Md., the council—comprising the cabinet secretaries of interior, defense, agriculture, labor and health - education - welfare — will confer with the President's Citizens' Advisory Committee on the fitness problem that is approaching a crisis.

ONE BIG PROBLEM

The citizens' advisory committee is composed of approximately 120 appointees from various occupations in all sections.

The big problem, according to Dr. MacCarthy of Washington, D. C., is to prevent our youth from becoming victims of a modernized, urbanized, motorized, televised America.

"A half - century ago, we were largely a rural country," he explained, "and we were a nation of doer's and participants. But today our population is largely in the cities — modernized cities — and we are a nation of sitters and watchers."

Through lack of opportunity and incentive, only about 10 per cent of our youngsters now participate in any type of formal or organized athletics. And the rest, both boys and girls, do not get enough exercise to keep them fit, he charged.

SOUNDS ALERT

"Since the President's advisory committee was formed in the fall of 1956, we have tried to alert America to the situation," he said. "We have tried to make the public realize that physical fitness, as well as mental fitness, is absolutely necessary in war time — and in peace time too."

Some progress has been made, he admitted; but with about 4,500,000 babies being born in the United States each year it is difficult to keep pace with the problem without nationwide cooperation.

The Fort Ritchie meeting, he said, will try to map a program to influence every community, every industry and the shopping centers to organize sports leagues or at least provide exercise space for the youngsters — and help fight softness and delinquency.

Trap Crown Leaves U.S.

VANDALIA, Ohio (AP) — A Canadian held the Grand American Handicap trapshoot title Saturday, but a heart-broken 16-year-old kid from Illinois is getting a lot of cheers too.

The new champion is 66-year-old Emerson Clark, a foundry superintendent from Preston, Ont., first to carry the coveted crown across the Canadian border.

The kid is Robert V. Nolan of Lewistown, Ill., who posted the only perfect score in the record-breaking field of 2,214 and didn't win a thing.

The youngster broke 100 straight from 19 yards, and while being hailed as the winner of trapshooting's biggest classic, was ruled ineligible for the honor by Amateur Trapshooting Assn. officials.

The decision disclosed that young Nolan had paid a $7.50 entry fee which entitled him to shoot for targets only. The total entry fee for those shooting for purses and the championship is $61.

With young Nolan ousted from the top spot, Clark and Jim McCole, a 30-year-old game warden from Gering, Neb., moved into the lead with 99. In the shootoff, Clark emerged a 23-20 victor.

The 59th Grand American winds up today with the National Doubles Championship and the Vandalia Handicap. Both count in the over-all and all-around championships, based on the full week of shooting in which nearly a million and a quarter targets have been thrown.

Sad Sam Now A Bit Sadder

ST. LOUIS (UPI)—Sam Jones, a magician who can transform a baseball into a white blur between the pitcher's mound and home plate, was victim of mixed feelings after narrowly missing a no-hitter in a 9-1 St. Louis victory over Philadelphia Friday night.

"I know I tied a record with 14 night game strikeouts," he said, "but I missed what I was really after — the no-hitter."

Jones already has one no-hitter to his credit. He pitched it on May 12, 1955 against Pittsburgh when he was with the Chicago Cubs.

Sam pitched seven innings without giving the Phils a base hit or his teammates a touch chance. But fate, in the burly person of pinch - hitter Rip Repulski, intervened in the eighth inning.

Repulski, the lead off hitter, banged a pitch into the left field bleachers for his 11th home run and his third as a pinch hitter this season.

Richie Ashburn and Solly Hemus followed with hits but that was when Sam was a little disgusted. He stranded them with his 12th and 13th strikeouts.

BOLAND RIDES TRIPLE

SARATOGA SPRINGS, N. Y. (UPI) — Willie Boland booted home three winners at Saratoga Friday, including Rich Tradition in the $43,340 Spinaway Stakes for two-year-old fillies.

Montanan Whips San Franciscan

ANACONDA, Mont. (UPI)—Roger Rouse, Anaconda, Friday night knocked out Joey Neal, San Francisco, in the second round of a scheduled 10-rounder here.

Rouse, at 164, improved over a bout last April 22 in which he won an eighth - round decision over Neal, who weighed 165 Friday night.

MOSS WINS TRIALS

OPORTO, Portugal (UPI) — Stirling Moss of Britain clocked the fastest lap Friday in time trials for Sunday's Grand Prix of Portugal. Jean Behra of France was next best, followed by Mike Hawthorn, also of Britain.

Terry Misses Perfect Mark

WASHINGTON (AP)—The gateway to baseball immortality is barred by the strangest sentries. Ask Ralph Terry.

Terry, 22-year-old Kansas City right-hander, came just about as close as you can to pitching a perfect game Friday night. He gave up just one hit, walked no one, got perfect support afield, and faced only 28 men in beating Washington, 1-0.

That lone hit, ironically, was a solid single off the bat of Washington pitcher Russ Kemmerer, who sported a lusty .127 batting average when he strode to the plate with two out in the bottom of the third.

"I think Kemmerer was guessing the curve when he got his single," Terry said later. "He guessed right."

Terry didn't brood about it.

"I think it's the best game I ever pitched in my life," he said in the dressing room. "I once pitched a one-hitter when I was with Louisville, but it didn't pack the wallop this one did."

Girard Returns To Pro Grid War

CALIFORNIA, Pa. (AP)—End Earl (Jug) Girard, a veteran of 10 seasons in the National Football League, has changed his mind about retirement. He will make another try with the Pittsburgh Steelers.

Girard was second high among Steeler pass receivers last year with 21 catches for 419 yards and four touchdowns. He also ranked eighth in the NFL on punt returns.

Time Out

Senators May Shift Locations

By WHITNEY SHOEMAKER
Associated Press Sports Writer

WASHINGTON (AP) — The Washington Senators, after 58 seasons in the capital, may ask permission soon to shift to Minneapolis.

Club President Calvin Griffith refuses to be pinned down.

Griffith denied Friday reports he already had decided to seek American League approval of a transfer.

But, to the relief of Minneapolis interests hoping to bag a major league franchise, Griffith added he hasn't made up his mind one way or the other.

Whether other American League club owners would tolerate a move out of Washington was still another question.

Several, including Tom Yawkey of Boston and Del Webb of New York, have declared the American League ought to remain in the capital for reasons of prestige. They also contend that despite skimpy attendance in recent years Washington is a sound baseball city.

President Will Harridge of the American League said he had received no word from Griffith about a decision to move.

Minneapolis is considering expansion of its modern stadium to 41,000 capacity, almost double the present size. Ancient Griffith Stadium seats about 28,500 and is seldom filled.

Congress has authorized a new 40,000-seat arena for Washington, but Griffith dislikes the location and, as owner of his present quarters, is sensitive about becoming a tenant elsewhere.

The Griffith family has controlling stock interest in the team and now wields a clearcut majority in its board of directors.

Amid all the conjecture over a possible move, the club's secretary, John E. Powell, and Treasurer C. F. Jacobsen resigned yesterday.

Jacobsen said he wanted to give Griffith a free hand and didn't want to be associated with any move to take the franchise to another city. Powell indicated he agreed with Jacobsen.

Objections of only three of the eight club owners would veto a move. Some are known to feel the National League would leap into Washington if given the opportunity.

H. Gabriel Murphy, who holds more than 40 per cent of the Senators' stock and has accused Griffith of mismanagement, promises to battle in court any attempt to move. Murphy contends only stockholders, not directors alone, may approve a transfer.

FRUSTRATED BOXER

ALBUQUERQUE, N. M. (AP)—Pity the poor boxer. He gets thrown in jail just for running. Take young Jim Hegerle, St. Paul, Minn., middleweight who was working out for a 10-rounder with Jimmy Martinez of Glendale, Ariz. He'd been taking his roadwork at the State Fair Grounds. Finding it locked up one day, he climbed over the fence and put in his roadwork. Finished, he started climbing over the fence again. A policeman saw him and when Hegerle—dressed only in sweat clothes — couldn't produce any identification, lugged him off to headquarters. Manager Danny Spunt showed up after a phone call and Hegerle was released.

CHAMPIONS IN TRAINING

EAST LANSING, Mich. (AP) — Alain Giletti, 18, the European and French figure skating champion of 1957, and Alain Calmat, 17, the 1958 French champion, are working out daily in Michigan State's spacious ice arena. Working with them is Miss Corinne Altmann, 16, junior women's champion of France in 1957. They are on the campus to study with instructor Pierre Brunet. His best known private pupil is Miss Carol Heiss, the world champion.

'Mighty Mites' Repeat Win

WILLIAMSPORT, Pa. (UPI)—The "Mighty Mites" from Monterey, Mexico, headed for New York and a visit with Casey Stengel's Yankee Saturday after their precedent - shattering victory in the Little League World Series.

The "rags - to - riches" team from south of the border defeated Kankakee, Ill., 10-1, Friday to become the first repeat champions in the 12 - year history of the series.

The Monterrey team captured the admiration of the 12,000 spectators by winning the title although having only one holdover player from the squad which won the championship last year.

The little men of Mexico fashioned the triumph on the three-hit pitching of Hector Torres and four homers by his mates, accounting for eight runs.

Torres received heavy support from a three-run homer by Juan Castro, two - run homers by Andros Galvan and Manuel Mora and a solo blast by Hugo Lozano. The 12-year-old righthander struck out 10 and gave up two walks.

more basic facts about America's basic advertising medium ... the daily newspaper

A study conducted among teen-agers by the research firm of Eugene Gilbert & Co. found that most teen-agers consider themselves regular newspaper readers. Four out of five answered "Yes" when asked if they had read a newspaper yesterday.

Herald and News

The daily newspaper is America's basic advertising medium because it is basic in the lives of its readers. Ever interesting, helpful, informative — it is welcomed as a friend of the family in homes everywhere. To sell these families your product or services, use the daily newspaper as your basic medium of advertising!
