Porter Asks Crater Lift

GRANTS PASS (AP) — Rep. Charles O. Porter (D-Ore), touring the Oregon fourth district which he represents, advocates a chair lift to carry tourists between the rim and surface of Crater Lake.

In a speech here Tuesday, Porter said many tourists stop only briefly because they will not walk the narrow, dangerous, twisting trail from the rim to the lake.

Porter also reiterated his support for opening trade with Red China. He said this would benefit Oregon greatly.

Porter went from Grants Pass to Medford after the speech.

Non-Surgical Method Cures Hemorrhoids Painlessly

A relatively painless, non-surgical method of treating hemorrhoids (piles) is working therapeutic miracles for thousands who suffer from rectal and colon disorders.

A recently developed electronic treatment is proving more effective than surgery, with none of the after effects of surgery.

The relatively new technique requires no hospitalization or confinement. Patients show marked improvement almost immediately, and uncomplicated cases can be frequently corrected in as little as 10 days.
