Changes at Camp Still Uncertain

Detroit—Mary Creek CCC camp has received very little additional information regarding the changes to be made.

It was announced last Friday that this company numbering 2907 would be disbanded as a company, the enrollees sent to another camp and a group from Wicklup would take over on August 22, then Monday it was changed to the 25th. It was also announced the "specialists" with the camp would remain, which might mean the radio man, special clerks and such. No announcement as to company officials has yet been made. Later, word was received that regular enrollees would be sent to Reedsport.
