EXTEND FAIR INVITATION

MOSCOW (UPI)—A delegation of New Yorkers arrived here Sunday night to extend an official invitation to the Soviet Union to participate in the 1964 world's fair in New York.

The group was to meet Monday with American Ambassador Llewellyn Thompson and to meet with members of the Soviet Chamber of Commerce Tuesday.

Post Office Is Heading For Record

Postmaster Chet Langslet put his "Mail Early For Christmas" campaign into high gear today.

The postmaster said, "We're heading into an all-time record for Christmas mail this year. Every facility of the Klamath Falls Post Office has been expanded to render maximum service. We've added extra trucks and personnel. Special mailing schedules have been set up to insure prompt handling of the tremendous flood of both incoming and outgoing Christmas mail."

"The vast volume of Christmas mail is only part of our problem," the postmaster continued. "Carelessly written names and addresses, poorly wrapped packages, insufficient postage, and other oversights are bound to result in delays and disappointments."

You can be sure of delivery of your Christmas cards and gifts before Christmas Eve if you will follow these simple requirements:

—Be sure your Christmas card and gift mailing lists are up-to-date.

—Wrap your Christmas gifts securely.

—Use complete addresses — including street number, rural route or post office box number. Be sure name of street is complete with avenue, parkway or drive included. Do not abbreviate street and state names. Use zone numbers, and be sure to include your own zone number in your return address.

—Most important of all — mail your Christmas cards and gifts within the next few days!

Police Arrest Seattle Youth Below Border

State police crossed the California border Saturday afternoon in pursuit of a Seattle youth, Ernest Neil White, 19. They arrested White a half mile below the border. He was booked in Siskiyou County Jail, Yreka.

City police said they received a report from an attendant at a service station at Second and Main streets that the youth bought $5 worth of fuel there and drove away without paying for it.

State police reported the arrest 45 minutes later. Officers said they found a loaded pistol in the car. They added the youth told them the car belonged to his father.

The officers contacted California Highway Patrol officers, who charged the youth with carrying a concealed weapon.

State police are allowed to cross a state border without special permission if they are in hot pursuit of a suspect.

Thief Steals Hose, Nozzle

A thief stole an expensive gasoline hose and nozzle from Tim's Shell Service, 1402 Oregon Avenue, Saturday night, said city police.

The culprit had to bend the hose until its wire core ruptured, officers stated. The hose was about seven or eight feet long, they said.

Thieves also broke into a storage room in a local apartment development sometime over the weekend, pried a locker open and stole a vacuum cleaner and woman's coat, city police said.

The theft was reported by Richard Bourne Sunday morning. He valued the articles at $70.
