Attempt to Burn Creswell Church Fails

Eugene, May 17 (AP)—An attempt to bomb the Assembly of God church in nearby Cresswell was under investigation today by the state police arson squad.

A burned-out candle in a bottle containing a white fluid was discovered in the newly built church early Sunday by the pastor and a parishoner.

Police said the mixture found in the bottle had also been spilled around the room. The bottle, set in a coffee can full of a "dirt colored powder," was placed at the church altar.

The Rev. Ward Wood was preparing for the dedication service when he found the bomb. Ben C. Greer was with the pastor.

Members of the church built the structure after receiving an unsigned note warning them to cease holding meetings in a theatre.

Wheat Prices Weaker Tuesday

Chicago, May 17 (AP)—Rains over the spring wheat country and a lower government buying basis weakened wheat at the board of trade today.

With the decline in wheat, other grains developed easiness and some stop-loss selling marked the decline.

The government buying basis for the May wheat delivery kept pace with the decline in futures, and a weaker cash wheat basis was reported at Kansas City and Minneapolis.

The federal weather bureau said rains in North Dakota were generous, although spotty.

Fair to good rainfall was reported from the Canadian grain country, breaking a prolonged dry spell.

At the finish wheat was 1⅜ to 3⅜ lower than yesterday's close, May $2.22⅝-½. Corn was ⅛ to 1 cent lower, May $1.33⅝-¾. Oats were ⅛ to ¼ lower, May 67-66⅞. Rye was 2½ to 2¾ lower, May $1.35½. Soybeans were 2¼ to 3¾ lower, May $2.35¼-¾. Lard was 10 to 20 cents a hundredweight lower, May $11.80.

Confusion in House Numbers

The people of Salem Heights, south of the city and outside the city limits, are much confused about their house and precinct numbers.

About a year and a half ago, they say, the post office changed the numbers of the homes on Madrona avenue. Then the precincts were changed, when new precincts were added, and house numbers were considered when this was done, but the numbers considered were the old ones and not the changes made by the post office.

One house, for example, was originally numbered 340 Madrona. The post office changed it to 415 West Madrona, a change from an even to an odd number without notification to the occupant, it is said. Another odd number was changed, but was still an odd number. In this case the owner was notified.

Salem Heights has a school election Friday night of this week and the school clerk has asked the voters to be prepared to give their precinct numbers. Some don't know what they are.

The school district, it is said, comprises all or parts of six different precincts.

Coast Hop Markets Continue Firm

Corvallis, May 17 (AP) — West coast hop markets were firm in the past month, the Oregon State College extension service reported today.

Demand for last year's crop increased, and by mid-May fewer than 3000 bales remained unsold in Oregon, the regular report said.

Most spot sales were around 30 cents a pound for good quality seeded hops. Lower quality hops continue to move slowly at 20-25 cents.

Contract prices, quiet in Oregon, were 47-48 cents for early and late seeded clusters. No activity was reported in Washington. Transactions for about 600 bales of regular seeded clusters at 50 cents a pound were reported in California.

India in Commonwealth

New Delhi, India, May 17 (AP) With only two dissenting votes, the constituent assembly today approved the agreement under which India is to remain in the British commonwealth of nations.

Stocks Decline Irregularly

New York, May 17 (AP) — A five-day advance bogged down in today's stock market.

Losses were small but widespread and included some of the utility issues which were lifted to 1949 highs yesterday. Selected utilities were given a fillip Monday by a supreme court decision not to halt a reorganization plan for Electric Power & Light Co.

Activity slowed considerably from yesterday's 1,030,000 shares. Turnover was at the rate of about 800,000 shares for the full session.

Electric Power & Light Common, at a high for the year yesterday, stayed in minus territory most of the day.

Losers of fractions to a point or so on the big board included American Telephone, Phelps Dodge, American Can, Dow Chemical, J. C. Penney, American Woolen, Southern Pacific, Chrysler, Studebaker and Montgomery Ward.
