WELL-KNOWN LAWYER TELLS HIS SECRET

All His Friends Pleased

For a long time he had appeared worn and nervous, was very irritable, and appeared to be on the verge of a break-down.

Now he appears in public with ruddy cheeks and a youthful appearance, with the springy step of youth, and his colleagues noticed his quickness in judgment and keenness of vision.

At first when questioned as to the remarkable change, he would only smile, but at last, because of the help it might be to these friends, he told them of Kath, the Gland Tonic.

On account of peculiar ideas some people have of a gland treatment, and fearing ridicule, he had kept silent. He was amazed to learn from his friend, a prominent physician, that gland treatments have been used for years, and extensively in recent years on account of the results of scientific research. Thus his own feelings were fortified, and he resolved to tell his secret, as he called it, to his friends.

He says: "I am very glad that I told my friends of Kath, the Gland Tonic, for a number of my friends who were run-down, nervous and fagged-out, are now enjoying the best of health, and are many years in youthful appearance and quick judgment."

Kath the wonderful Gland Tonic, now for sale by:

A paper where all the people have opportunity to express themselves if they desire—that's The Klamath News.
