The Road to Wealth

Cannot be successfully traveled without good health. To reach wealth or any coveted position in life requires the full possession and operation of all the faculties kind nature has endowed us with. These conditions cannot exist unless the physical being is in perfect working order, and this is impossible when the liver and spleen are torpid, thus obstructing the secretions, causing indigestion and dyspepsia, with all of their accompanying horrors.

DR. HENLEY'S

English Dandelion Tonic

exerts a specific influence over the liver, excites it to healthy action, resolves its chronic engorgements, and promotes the secretions: cures indigestion and constipation, sharpens the appetite, tones up the entire system, and makes life worth living.
